

LW-PX350

Portable • Pragmatic • Productive

The Epson LABELWORKS LW-PX350 offers a low-cost, portable wire-marking, bar-code and general-identification label solution for creating custom and compliant labels up to 3/4" (18 mm) wide. Its compact design and powerful features make it easy to quickly produce clear identification labels for a variety of industrial applications including wires, equipment, tool boxes, storage bins, or other assets. With special-function hot keys and a strong automatic cutter, the LW-PX350 offers extraordinary flexibility to print on a variety of materials such as magnetic tape, heat shrink tube and resilient vinyl tapes. Best of all, the LW-PX350 is backed by the Epson LABELWORKS industry-best lifetime warranty.

FEATURES AND FUNCTIONS

Professional Choice

With an Integrated handle, QWERTY Keyboard, top-loading cartridges, cross-printer compatible cartridges, and print capability for all materials (including heat shrink tube and magnetic tape) the LW-PX350 is the choice for serious professionals.

Automatic Full-Cut

While other compact printers typically require you to cut your labels manually, the LW-PX350 takes convenience to the next level and auto-cuts labels for maximum efficiency.

Hot Keys

Industry-specific hot keys built into the LW-PX350 save time while labeling. Plus you can quickly access 8 pre-loaded bar codes, hundreds of industrial symbols, fonts, templates and styles, and an alphanumeric serialization function to make formatting your professional industrial labels a breeze.

Capable and Productive

The LW-PX350 prints up to 3/4" wide (18mm) in standard and specialty tape, and up to 1/2" diameter in heat shrink tube. Plus, you'll find the essential features and functions needed for printing cost-effective industrial labels in the field or around the workplace.
