PeelGuard[®] corner trimmer

LW-PX800

Compact • Capable • Flexible

LIFETIME
WARRANTY

The Epson LABELWORKS LW-PX800 provides an easy-to-use, flexible and powerful desktop labeling solution, perfect for the entire workplace. With fast print speeds, a compact design and intuitive label-creating software, the LW-PX800 gives you the ability to communicate visually across a wide variety of industry applications. Wireless connectivity means multiple users can share the printer, increasing the flexibility of the printer while substantially reducing costs. Print on more than 160 types of label tape, including magnetic, heat shrink tube, and industrial adhesive labels up to 1.5" wide. Like every LABELWORKS PX printing solution, Epson backs the quality of the LW-PX800 with an unrivaled lifetime warranty.

FEATURES AND FUNCTIONS

Print Wirelessly

Connect any Android or iOS mobile device to print labels wirelessly with the LW-PX800. Epson's FREE apps, Epson iLabel and Epson Datacom, come with pre-loaded templates, symbols, fonts and bar codes for the job you need to get done. Customize your own labels, use images from your photo gallery, and use voice-to-text for hands-free labeling.

Epson iLABEL

Epson Datacom

Save Tape

Say goodbye to unnecessary tape waste! LABELWORKS PX margins can help save you up to 60% in tape over the course of ownership.

Mixed Length Function

The LW-PX800 comes with an automatic cutter for optimal efficiency. Print various length labels all in a single half-cut strip of labels, separated only by Epson's half-cut feature that cuts only the label, not the backing, when printing multiple labels at one time.

PeelGuard®

Protect the corners of your labels from snagging and peeling with PeelGuard corner-trimming solution, PeelGuard.

Software-Compatible

Use Epson's Label Editor software to create labels for your entire workplace. Print images, bar and QR codes, tables and logos. Batch print by importing spreadsheets.
