Features of the Optima Steamer™ XD/XE

User-friendly LCD display

LCD display helps operators to see the operating status, error message and maintenance alerts real time.

Tank level windows

In addition to low level sensors, water and fuel tanks have windows for physical level visibility.

Easy maintenance

No-tool necessary pull-up top cover provides easy access to internal parts. Minimal disassembly and reassembly time for any maintenance or repair.

Emergency stop button

In addition to multiple stage safety features, a single, easy-to-spot stop button enhances safety of employees and the machine in case of emergency.
