

ZINC + Magnesium Mineralized Water

Zinc + Magnesium Mineralized Water is the solution for an active lifestyle. With 2.5 liters* you support your body in a simple and effective way and cover up to 15% of the daily zinc requirement and 20% of the daily magnesium requirement. Quite simply without any effort - just by drinking water.

* at an average water hardness of 15-18 °dH

+ the environmentally friendly alternative to plastic bottles

ADVANTAGES OF ZINC + MAGNESIUM IN DRINKING WATER

+ Valuable magnesium minerals and trace elements of zinc are added to your water

+ Magnesium and zinc support the body's immune system and promote healthy hair and skin

+ The performance plus for an active lifestyle

ADVANTAGES OF THE FILTER TECHNOLOGY

+ Reliable limescale protection for household appliances like coffee machines and water heater: reduces the lime content in the water

+ Reduces odor and taste impairing substances such as chlorine and organic impurities

+ Reduces particles > 200 µm (sand, particles from the pipe) and heavy metals (lead and copper)

ZINC + Magnesium Mineralized Water
