

Magnesium Mineralized Water

Magnesium Mineralized Water is the solution for an active lifestyle. With 2.5 liters* you support your body in a simple and effective way and cover up to 20% of the daily magnesium requirement. Quite simply without any effort - just by drinking water.

* at an average water hardness of 15-18 °dH

+ the environmentally friendly alternative to plastic bottles

ADVANTAGES OF MAGNESIUM IN DRINKING WATER

+ Magnesium is a flavour carrier. Perfect for tea, coffee and the daily drinking pleasure

+ The clever way to support your daily magnesium requirement

+ More power and taste for an active and vital lifestyle

ADVANTAGES OF THE FILTER TECHNOLOGY

+ Reliable limescale protection for household appliances like coffee machines and water heater: reduces the lime content in the water

+ Reduces odor and taste impairing substances such as chlorine and organic impurities

+ Reduces particles > 200 µm (sand, particles from the pipe) and heavy metals (lead and copper)

Magnesium Mineralized Water
