

Your *Mediterranea Design* product will have **many years of performance with regular care.**

To maintain the nish quality of your product, please follow the cleaning procedures provided below. **For normal cleaning of the plastic surfaces, use a soft scrub brush** (no metallic) to remove dirt particles between the lines and then wash with a micro fiber cloth (or other lint-free cloth) and water.

If deeper cleaning is required, use a mild soap along with the cloth and water. **Do not use solvents or abrasive cleaners.** After cleaning, rinse with warm water and dry with a soft cloth.

Our products are made of polythtic acid with natural dye. The material is suitable for outdoor use, however **extended exposure to sunlight, at a temperatures above 35°, may cause decoloration and deformation.** Only light colors are available for outdoor products.

Keep away from heat, sparks, open flames, and hot surfaces. To avoid any problems, we advise you to protect the product by keeping it in a safe, clean and dry place.

***Mediterranea Design* declines all responsibility in the event that these maintenance conditions are not respected.**
