Operation

- Press "OFF" button on remote control to turn off the light, then press "ON" button to make it light up again.
- ON/OFF on the bottom of the ball lamp is same as above.
- If switching off the unit it will automatically light up the next day as long as the unit has received enough charge.

16 colours
for selection

Operating by On/Off button on ball light

- If you cannot choose colour by either the button on the base or remote control, please charge it.
- Press "OFF" button on remote control to turn off the light, and then press "ON" button to activate the light again.

To turn off the light

- Hold the “ON/OFF” button on the bottom of light for 2 seconds.

Operation by Remote Control (order article 90002 seperatly)

Note: First, remove the small plastic sheet from the battery cover before below operation.

Turn globe light on by pressing the “on” button on bottom of unit. Remote will now work.

Note:

- Always turn on the lamp by pressing “ON/OFF” button and then the remote control can start to work.
- During daylight the light will **not work** or respond to the remote control, this unit will only work in dusk/dark conditions.
- The solar ball flashing indicates the battery is low.

Caring for your light

- Always POWER OFF the light after use.
- Use clean water to rinse the light after use, and dry with a clean non abrasive cloth.
- Store the light out of reach of children and direct sunlight.

Warning

- Please keep the solar ball clean, dust & dirt will have an adverse effect on the charging ability.
- This is not a TOY. Keep it out of reach of children.
- Keep all products away from chemical, any liquid, or heat.
- Never jump or stand on the illuminated item.
- To reduce the risk of electric shock, never open or disassemble any parts.
- Never leave the socket cover open of the solar ball light during operation.
- Make sure to put the product away from low-lying places to avoid water going inside the product in heavy rainy days.

Should you have any questions about the product, you are more than

welcome to contact us.

With best regards

LED  NORDIC

Enjoy the little glimpses
