#### **Product Specifications**

Product Model:	F1	Product Weight:	1.81 KG	Product Size:	385.5x248.8x20.7MM
Resolution:	1920*1080P	Panel Type:	IPS	Loud Speaker:	2 PCS
TYPE-C Input:	5-20V/5A	TYPE-C Output:	5-20V/4.25A	Refresh Rate:	60Hz

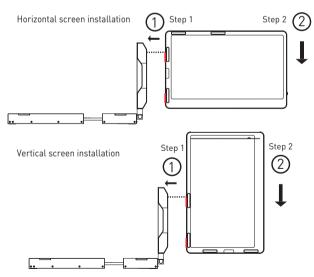

## Installation and Storage

#### 1. Method of Unfolding

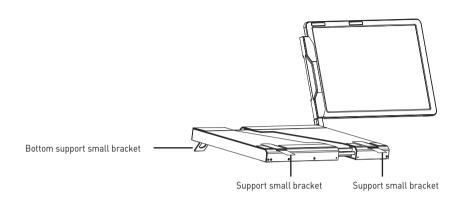

Note: The maximum stretching length of the base is 400mm

### 2. Installing the screen

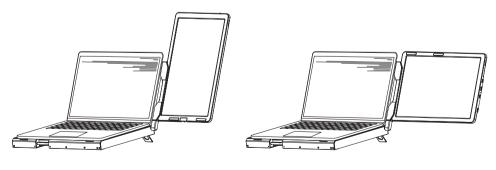

Step 1: Align the card slot of the screen with the buckle in the shaft, and press it in the direction shown in the figure Step 2: Press the screen in the direction shown in the figure until the screen snaps into place

### 3. Various Applications of Dual Screens

Detached Mode

Portrait Display

Landscape Display

#### 4. Connect F1 with Laptop

Connect F1to your laptop and check that your laptop has a Type-C, Type-A or HDMI port that can provide 5V/2A power.

Connect F1 to your laptop through F1's Type-C and MINI HDMI port, following the options below:

Connect to F1 through the Type-C interface of the notebook

Option 1: If your laptop has one Type-C port (full function port), and the Type-C output port of the laptop can provide more than 5V/2A power supply, directly connect the F1 and the laptop with Type-C cable.

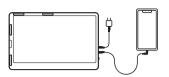

Option 2: If your laptop has one Type-C port (full function port), and your laptop Type-C outlet cannot provide more than 5V/2A power supply or the display has no signal/the signal is unstable after connection, then you need to connect an external 5V/2A adapter to power F1. Then connect the F1 to the laptop with Type-C cable.

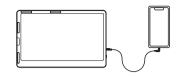

Connect to F1 through the HDMI interface of the notebook

Solution 3: If your laptop does not have a Type-C port, you can use an HDMI-mini HDMI cable to connect the F1 screen to the HDMI port of the laptop, and then connect the 5V/2A adapter to power F1 Screen.

#### 5. Connect F1 with Mobile Phone

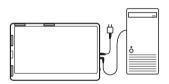

Mobile phone connection mode (External power needed)

One Type-C cable to connect to the mobile phone

#### 6. Connect F1 with Other Devices

Connect the F1 to the desk-top computer host, switch, mini PC, or set-top box (the screen needs an external power supply)

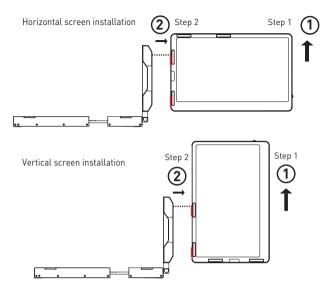

Desk-top computer connection mode (External Type-c power)

Switch connection mode (External Type-c power)

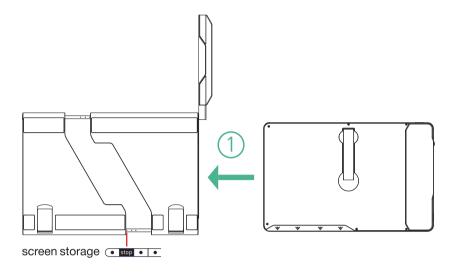

#### 7. Disassemble the Screen

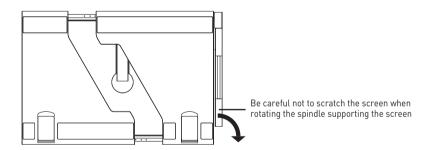

Step 1: Push up the screen in the direction shown in the figure

Step 2: Pull the screen out from the buckle of the hinge according to the direction shown in the figure [

#### 8. Storage of the F1

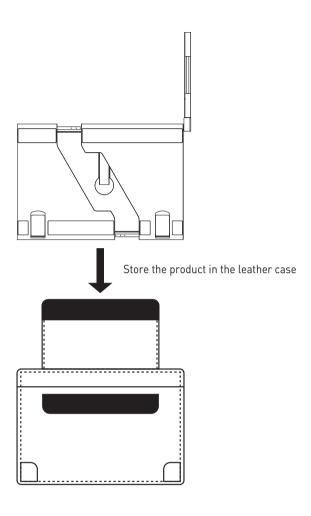

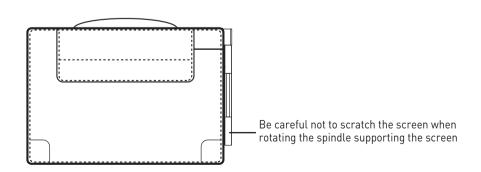

Note: Install into the bottom storage box of the bracket when storing

- 1. Rotate the support rod clockwise 90 degrees in a horizontal direction for storage
- 2. Be careful not to scratch the screen when rotating the spindle supporting the screen

Note: Pay attention to the storage order of the left screen and the right screen to avoid damaging the screen.
