Alright, let's measure your wrist!

1. Print out this size guide on a regular size sheet and make sure the scale is set to 100%.
2. Cut out the Ooloula tape measure using the dotted lines.
3. Put the measuring tape tightly around the wrist and pull it through the slit.
4. The number indicated by the arrow is your size!

Put the measuring tape through the slit

To make sure you printed out this sheet correctly, place your credit card in this box. Does it fit in exactly? Then it's well done!
