Millions of Voices, ONE VALVE

"I thought I would remain speechless for the rest of my life. Thank you!"

"Tears of joy when my fiancé heard me tell her I love you."

"It gives me a new found freedom."

"Being able to communicate has completely changed her outlook. She can ask questions. She can advocate for herself. She can say hello to her grandchildren."

"The Passy Muir Valve gives me my life back."

## "Now I can hear my baby's voice."

"Thanks to the Passy Muir Valve, I have the privilege to tell my husband and children I love you without difficulty."

"I keep the valve next to my bed, because it was my mom's voice, if only for a brief moment in time."

"My son now says mama. Words I never thought he would be able to say."
