

X-14[®] Heavy Duty Cleaning Wipes (1650)

DESCRIPTION

X-14[®] Heavy Duty Cleaning Wipes are a versatile dual sided cleaning towel. These wipes are designed for the toughest soils on hard surfaces and hands. This citrus based formula tackles virtually any clean up challenge without leaving residue behind. The textured side has grit for loosening grease, oil, adhesive, spills, and stains. The smooth side is ideal for a final wipe and when texture isn't needed. X-14 wipes are safe for hands and won't dry them out. These wipes can be used around the home, in the garage, on vehicles, RV's, boats and more.

DIRECTIONS

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through the "X" on the underside of the lid.
3. Pull towel at a 90-degree angle to break away sheet.
4. To prevent towels from drying out when not in use, snap hinged cap back in place.

Use the textured side to loosen stubborn stains, baked on grease, oil or tar. Use the soft side for general purpose cleanup where an abrasive is not required. Use on hands to lift dirt from skin pores. On vinyl, leather and cloth, test for colorfastness in an inconspicuous area first.

FEATURES AND BENEFITS

Dual-sided, soft, and abrasive	Removes grease, tar, adhesive and more
Safe for most surfaces including leather & vinyl	Pleasant citrus scent without leaving stains or residue
Lanolin based formula won't dry out hands	Versatile for boat, RV, auto, home, or garage
