## 2022 SPECIAL REGULATIONS EQUIPMENT AUDITS

### ROYAL MOTOR YACHT CLUB BROKEN BAY REQUIREMENTS - EQUIPMENT AUDITS

1. There will be two Safety Audit Days conducted by the RMYC—Saturday 4th & Saturday 25th June 2022. These audit dates are free of charge for RMYC members. After these two designated days, audits for the 2020-21 Sailing Season will take place at a time pre-arranged through the RMYC Equipment Audit Officer. Bookings are essential—0418 164 526. There will be a fee of \$30 for this audit.
2. Equipment Audits shall only be completed on the official forms provided by AS and RMYC.
3. All gear shall be laid out for inspection. The boats 'Owner' or 'Person in Charge' shall be in attendance during the audit.
4. Where the boat has 'outstanding items' still required as part of its audit, it shall be ineligible to race. Outstanding items shall be presented with audit form for sign off to an AS and RMYC accredited Equipment Auditor.
5. Under AS Special Regulation 2.02, every boat may be subject to a 'spot check' equipment audit. A boat whose equipment is found to be non-complying or whose 'Owner' or 'Person in Charge' acts unreasonable in preventing the 'spot check', may be subject to protest by the Race Committee.

### RMYC Sailing Races - Equipment Requirements in addition to Australian Sailing Special Regulations
