

# Linjer Size Guide: A4

This print-out is for A4 paper, the standard paper size outside the US and CANada.  
A4 paper measures 21.0cm x 29.7cm.

## PRINT INSTRUCTIONS

Make sure to print the “actual size” or “normal size” of the document.  
Do not scale it, do not “fit to page”.

To check if this has printed correctly, take  
an ATM card, debit card or credit card  
and line it up to this box.

If your card does not fit perfectly, you may  
need to adjust your printer settings.

## Watch Cutouts

The Minimalist model is shown here.  
However, the Classic and the Minimalist have the exact same size options.
