

# Happy Earth Day 2021!

---

## Supplies needed for refrigerator magnets:

- Scissors
- Super glue
- Ceramic disc magnets (.75" diameter x .187" thick)
- Me & the Bees Lemonade bottle caps

## How to make:

- Print the page in color
- Cut out the magnet tops (circles) very carefully!
- Use glue to adhere the cutouts to the black side of lid
- Let dry
- Use glue to attach the magnet to inside of lid
- Enjoy!
