- > Thymoquinone has been extensively studied for its anti-carcinogenic properties
- > Unique compounds found only in Black Seed Oil that support the immune system
- > Cold-pressed 1st extraction better retains essential properties and is solvent free
- > Cold pressed, First Press
- > No heat or chemical solvents used in the oil extraction process

80046969

Enerex Black Oregano offers intense natural immune support by blending Black Seed Oil (60%) and Oregano Oil (40%) with booster vitamins A and D.

Black Seed is a powerful immune enhancer, antioxidant, antibacterial and antiviral oil. Black Seed's exclusive ingredients (*crystalline nigellone* and *thymoquinone*) function synergistically with the wild Mediterranean Oregano Oil's active components (carvacol and thymol).

Black Seed Oil has a long history of medicinal and culinary use for calming upset stomachs, diarrhea, coughs, fever, as well as a health and beauty aid. Oil of Oregano is known for its antibacterial, antiviral, anti-fungal and antioxidant abilities. It is especially beneficial for respiratory ailments.

Together, this innovative blend provides a one-two punch to knock out invading viruses, bacteria, and destructive renegade molecules.
