80055381

**Enerex Black Seed Oil** (*Nigella sativa*) is packed with over 100 active health-increasing compounds; including (crystalline nigellone and thymoquinone) making it a powerful immune enhancer, antioxidant, antibacterial and antiviral oil.

**Black Seed Oil** has a long history of medicinal and culinary use for calming upset stomachs, diarrhea, coughs, fever, as well as a health and beauty aid. Black Seeds, found in King Tutankhamen's tomb and used by ancient Egyptian and Ayurvedic physicians, are now well-researched by modern science with over 500 medical papers published. Studies have shown it can provide benefits for diabetic neuropathy, IBD, non-ulcer dyspepsia as well as being supportive for the liver and digestive system. Black Seed Oil supports your well being and has no known toxicity or negative side effects.
