

# GINKGO BILOBA

PART OF THE  
ESP PROGRAM\*

## IMPROVES CIRCULATORY SYSTEM & BOOSTS BRAIN OXYGENATION

### The Enerex Advantage

- > Safe: traditional Chinese medicine has used both the leaf & seed for centuries for blood & brain diseases
- > Enerex Ginkgo Biloba contains both standardized extract & the powdered whole leaf plant
- > Two potent nutrients most effective in Ginkgo: Flavonoids & Terpenoids
- > Provides minimum 24% Flavone Glycosides & 6% Terpene Lactones for maximum medicinal benefit
- > Ginkgo biloba among the most prescribed herbal medicines in France & Germany
- > One of the most researched plants; studies focus on highly concentrated standardized extract shown to enhance blood flow & treat circulation/brain better than non-standardized leaf
- > Each capsule of Extract (400 mg) and Leaf Powder (62.5 mg) provides slightly more active compounds than what is shown to be the minimum effective dose – to ensure noticeable results

80003713

This Ginkgo biloba standardized extract & whole leaf powder blend works by dilating capillaries to increase blood circulation to the brain & limbs, ensuring a rich supply of oxygen & nutrients. Research confirms that its antioxidant Flavonoids & Terpenoids maintain & improve memory recall, promote neurotransmissions, improve cognitive function & protect arteries and nerves from damage. **Enerex Ginkgo Biloba** offers the most potent antioxidant combination available.

# GINKGO BILOBA

## BENEFITS

- > Increases blood circulation in arms & legs, aids cold hands & feet; may improve other circulatory issues in limbs
- > Ginkgo flavonoids protect nerves, heart muscle & blood vessels from damage; increase arterial & central nervous system health
- > Terpenoids (such as Ginkgolides) also reduce stickiness of platelets
- > Helps maintain blood circulation to the ear, nose, throat & eyes (retina)
- > Offers anti-aging protection due to strong antioxidant properties (neutralize free radicals)
- > Studies: may help elderly perform daily activities easier, improve social behaviour & moods

## EACH VEGETARIAN CAPSULE CONTAINS:

### Medicinal Ingredients:

Ginkgo Biloba (Powder) Leaf . . . . . 400 mg
