

GRAPE SEED & GREEN TEA

PART OF THE
ESP PROGRAM*

NATURAL, POTENT AND EFFECTIVE ANTIOXIDANT PROTECTION

The Enerex Advantage

- > Enerex offers higher grade, cold-pressed Grape Seed Extract & purer, polyphenol-rich Japanese Green Tea
- > Polyphenols, Proanthocyanidins, Catechins – most important antioxidants to reduce cellular damage, according to medical research
- > Both ingredients offer anti-inflammatory, anti-aging, anti-cancer, heart promoting, metabolism-boosting properties
- > Green tea used medicinally for thousands of years in Asia; its high Polyphenol content makes it one of most powerful natural antioxidants known
- > Enerex's Green Tea is higher in most important Catechin called Epigallocatechin Gallate (EGCG)
- > Additional Vitamin C for increased antioxidant protection (540 mg/daily dose)
- > Does not include caffeine (from Green Tea) or oils (from Grape Seed)

80005995

Grape Seed & Green Tea offer powerful Polyphenols, Proanthocyanidins & Catechins researched to have much stronger immune-boosting action than other antioxidants (such as Tocopherols in Vitamin E). Grape Seed Extract & Japanese Green Tea deliver dual protection because both ingredients have individual preferences about which free radicals they attack, making their different antioxidant action far greater combined than either one alone. These, plus Vitamin C, protect from disease, aid illness recovery & fight effects of aging.

GRAPE SEED & GREEN TEA

BENEFITS

- > Help neutralize carcinogens found in foods: nitrates/nitrosamine (deli meats), aflatoxin (peanuts)
- > Work with enzymes & antioxidants in intestine, liver, lungs to prevent environmental toxins from damaging DNA
- > Protect against effects of ionizing radiation (from X-rays) & sun's UV rays
- > Stop enzymes that can damage capillaries & protect collagen & elastin from damage = anti-aging
- > Grape Seed Extract treats poor blood flow in brain & heart, and excess platelet aggregation
- > Grape Seed Extract increase capillaries' flexibility & integrity (so blood does not leak through capillary walls)
- > Grape Seed Extract effective cardiovascular/heart protector due to collagen/elastin effects
- > Green Tea lowers total cholesterol & raises HDL cholesterol
- > Green Tea helps control blood sugar levels & may help prevent diabetes

EACH VEGETARIAN CAPSULE CONTAINS:

Medicinal Ingredients:

Green Tea (<i>Camellia sinensis</i>) Leaf	200 mg
Standardized to 50% Catechins, providing 50-60% EGCG	
Vitamin C (Ascorbic acid)	180 mg
