

NAC 1000

PART OF THE
ESP PROGRAM*

HIGH POTENCY SUPER ANTIOXIDANT

The Enerex Advantage

- > Enerex offers the highest potency pharmaceutical-grade NAC on the market, yet safe for everyday use
- > N-Acetyl Cysteine is used in many hospitals for its anti-inflammatory & mucous-reducing effects
- > NAC has been researched for its benefits for over 20 years in dozens of clinical studies
- > Powerful antioxidant benefits due to the fact that it makes the body produce more Glutathione
- > Glutathione called “the master antioxidant” because it has many roles in all areas of the body
- > NAC’s benefits also because it is a derivative of the amino acid cysteine, which helps the body create protein
- > Counteracts toxic chemical poisoning & negative reactions caused by drugs
- > Used to combat mental illness
- > As a free radical scavenger, NAC helps protect cell walls from damage
- > Supports the immune system by reducing numbers of mutated cells so immune resources focused elsewhere

GET THE NAC

NAC 1000 offers 1000 mg of naturally-derived practitioner-grade N-Acetyl Cysteine, an antioxidant known for its anti-inflammatory, cell-protecting, protein-building & mucous-reducing effects. NAC stimulates the production of glutathione, the body’s “master” antioxidant & one of the liver’s main detoxifying compounds. By neutralizing free radicals, NAC may slow aging & decrease chronic disease risks.

NAC 1000

BENEFITS

- > Hospitals use NAC to reduce heavy mucous in lungs from pneumonia
- > Used by doctors to reduce throat/air passage problems developed after surgery in tracheotomy
- > Well-recognized as an effective antidote for acetaminophen over-dose (Tylenol, Sudafed) & carbon monoxide poisoning
- > Makes heavy metals & other dangerous fat-soluble toxins become neutral so they can be excreted from the body
- > Heart-protective: has been shown to lower risks of heart disease & lower cholesterol; improves unstable angina & may help increase the effects of nitroglycerin used for angina
- > Useful in patients that did not respond to previous treatment for schizophrenia (because they have difficulty processing glutamate, related to glutathione)
- > Increases immunity against certain flus

EACH TABLET CONTAINS:

Medicinal Ingredient:

N-Acetyl-L-cysteine 1000 mg

Directions: Take 1 tablet daily with meals or as directed by a health care professional.
