

OMEGA MORE

PART OF THE
ESP PROGRAM*

MEGA OMEGA!!!

The Enerex Advantage

- > Vitamin E neutralizes free radicals & protects EFAs from oxidation (makes delicate oils stable, preventing rancidity)
- > Source of beneficial Omega 3 & 6 essential fatty acids
- > Helps maintain cardiovascular health and reduce serum triglycerides
- > Helps reduce inflammation
- > Source of antioxidants from Vitamins A & E
- > Provides mixed tocopherols and tocotrienols for heart health

80036940

An innovative blend of potent essential fatty acids, antioxidants, and immune boosters. In a base of sustainable wild fish, Omega More provides sources of beneficial Omega 3's in a 2:1 EPA:DHA ratio for balancing hormones and managing inflammation. Evening Primrose and Borage oils deliver the beneficial Omega 6 EFA's, with a minimum 16% gamma linolenic acid (GLA). This balances the Omega 3's and 6's to 1:1, restoring common deficiencies from too much harmful Omega 6's that can accelerate aging, and promote inflammation that can lead to arthritis, eczema, and atherosclerosis.

Omega More further supports cardiovascular health with mixed Vitamin E supplying both tocopherols and tocotrienols in balanced amounts. Bolstered by Vitamins A & D, the immune system is strengthened defending against invaders and keeping the body strong.
