ENEREX ORGANIC OREGANO Oil + A&D is a high potency blend of 60% organic Olive oil & 40% pure, solvent-free, 1st distillation wildcrafted Mediterranean Oregano oil (*Origanum vulgare*) plus the added immune benefits of vitamins A & D. We guarantee a minimum of 80% naturally occurring carvacrol content, one of the plants key potent phyto chemicals, (potencies over 84% are artificially fortified). Our 1st distillation *Origanum vulgare* contains 3 other main classes of uniquely balanced components which act synergistically with carvacrol to provide the antibiotic, antibacterial, antifungal, antiviral, anti-inflammatory, antioxidant, anti-venom, antiparasitic, and painkilling benefits shown in scientific studies. It is important to note that virtually all published scientific data and health claims regarding Oregano Oil are based upon the unique balance of compounds found in 1st distillation *Origanum vulgare*.
