- > Improves circulation & maintains a healthy circulatory system
- > Decreases swelling due to inflammation
- > No phthalates or plasticizers used
- > Capsules are delayed release technology
- > Certified organic brown rice as excipients
- > Manufactured in Canada
- > Third party tested
- > Encapsulated in DR (Delayed Release) caps, the latest in capsule technology

80052538

**Enerex Pain X** offers a potent blend of natural anti-inflammatories that quickly reduce pain without side effects associated with over-the-counter medications. Backed by science this effective combination of proven traditional remedies of Serrapeptase, Curcumin, Boswellia, and Devil's Claw along with patented modern ingredients from hops and pine bark boasts abilities to reduce the body's pro-inflammatory chemicals, scavenge free radicals that can cause premature aging, block pathways which cause inflammation, and reduce pain mechanisms to help the body get relief and feel better.
