- > Enerex Serrapeptase is the original Serratia Peptidase enzyme product in Canada

Decades of research have shown the safety and efficacy of **Serrapeptase** across a wide spectrum of conditions, resulting in the significant improvement in the wellbeing of hundreds of thousands of people around the world. Enerex Serrapeptase provides a safe, natural alternative for relieving pain, inflammation, and swelling of different causes.

Serrapeptase, often called “The Miracle Enzyme”, works by inhibiting pain-inducing compounds in the body. For sufferers of chronic painful conditions, **Serrapeptase** offers much-needed relief. In addition, by improving circulation, **Serrapeptase** helps bring necessary nutrients and protective compounds where they are needed to facilitate the reduction of inflammation and swelling.

Our unique vegetarian delayed release capsules (DRcaps) ensure this hard-working enzyme bypasses the stomach and is delivered to the small intestines where maximum absorption is achieved for the utmost benefits.
