HOOD SCONCE

Our Hood Sconce features a single shade of white polyethylene, bent and bolted to a wooden spine. Available with a white or brass wall plate, and with white oak or walnut spines. UL listed for damp locations. Can be wired to include an On/Off switch connected to a brass pull chain.

Hood Sconce
7.5" x 7.5" x 12.5"

HOOD PENDANT

The Hood Pendant features a hand joined triangular interlocking armature that supports matte white polyethylene shades. The armature is suspended by a three-part wiring harness that radiates from a brass wiring hub. Available in White Oak or Walnut. UL listed for damp locations. CE compliant upon request.

Hood Pendant
26" x 26" x 12"

HOOD CHANDELIER

Our Long and standard Hood Chandeliers feature a dynamic wooden armature that gives the chandeliers an ever-changing look. Six curved polyethylene shades undulate in height around a wooden frame, casting a warm and diffused light. Our Long Hood Chandelier is intended for rectilinear tables or spaces while our standard Hood Chandelier is more at home above circular dining tables or anchoring the center of square or round rooms. Available in white oak or walnut. UL listed for damp locations. CE compliant upon request.
