Weaver Tool Gear takes into account many factors when approving a new dealer. We reserve the right to approve your application based upon information gathered from a variety of sources.

Wholesale Only We have strict guidelines of selling our Weaver Tool Gear products through qualified, *industry-related* retailers and marketers only. Our careful screening and customer application process assures us and you that we sell wholesale to qualified dealers only.

Minimum Advertised Price (MAP) Policy: Weaver Leather, LLC strongly supports qualified retailers who stock, sell, and provide a high level of service for Weaver Tool Gear products by maintaining retail locations, in-store displays, catalogs, and websites. In order to protect our premium brand image and reputation for quality products, and to support the interests of Weaver Tool Gear retailers, we adopted a Minimum Advertised Price ("MAP") policy. Please read the complete guidelines below or by visiting <https://weaverleather.com/map-policy>. If you have any questions regarding these guidelines, please email us at brandprotection@weaverleather.com.

Additional Details:

1. Weaver Tool Gear will maintain an updated and current "**MAP Price List**" of the Weaver Tool Gear products subject to this MAP Policy.
2. Retailers should advertise Weaver Tool Gear products to consumers at prices no lower than the MAP Price listed for each Weaver Tool Gear product listed in the MAP Price List.
3. "Advertised" in this MAP Policy applies to any advertising of all applicable Weaver Tool Gear products in all print, radio, television, and electronic media. This includes, but is not limited to, flyers, mail order catalogs, magazines, newspapers, direct mail, inserts, television ads, billboards, radio spots, websites, forums, online marketplaces, email, social media posts, and public signage.
4. Advertising or promotions that express or imply a price less than MAP will be found to violate this MAP Policy.
Examples include, but are not limited to:
 - i. Listing a price lower than MAP in any form of advertising
 - ii. Store-wide or site-wide discounts that bring Weaver Tool Gear products below MAP
 - iii. "See price in cart" type methods of enticing consumers to find a price below our MAP at a later stage of purchase
 - iv. "Buy one, get one free" offers
 - v. Strike-through pricing
 - vi. Instant rebates that would bring the net price below MAP price
5. From time to time, Weaver Tool Gear may run national promotions on specific Weaver Tool Gear products. During the effective dates of these promotions, the MAP prices may be adjusted to reflect applicable manufacturer coupons, discounts, or rebates.
6. From time to time, Weaver Tool Gear may choose to permit retailers to advertise products at prices lower than the MAP price. In such MAP holidays or special events, Weaver Tool Gear reserves the right to modify or suspend the MAP price for a specific period of time by providing advance notice to all retailers of such event.
7. The policy does not apply to discontinued Weaver Tool Gear products. As products are discontinued by Weaver Tool Gear, they will be removed from the MAP Price List and communicated to retailers.
8. This policy is not applicable to any in-store advertising that is physically displayed only in-store and not distributed to any customer. In-store displays, point-of-sale signs, hang tags, and similar marks which only state the price are not considered "Advertising" for purposes of this policy.
9. This policy only applies to advertised prices and does not affect the prices that retailers may charge for Weaver Tool Gear products. Retailers remain free to sell Weaver Tool Gear products at any price they choose.
10. Weaver Tool Gear reserves the right to update or modify the MAP Price List of applicable products and prices at any time. Any changes will be communicated to retailers in advance.
11. Violations of our MAP Policy by any retailer will be enforced by Weaver Tool Gear with consequences that may include:
 - i. Termination of open purchase orders
 - ii. Refusal to ship specific products until retailer is in compliance with MAP policy
 - iii. Refusal to process any future orders
 - iv. Loss of account status to purchase Weaver Tool Gear products
12. Weaver Tool Gear reserves the right to modify, update, or terminate this MAP Policy at its discretion at any time.
