DECLARATION OF CONFORMITY CE

Mr. Antonello Strusi, as General Manager of INDUSTRIE CELTEX S.p.A.
with registered office in Via Traversa del Marginone, 21/23- 55015 Montecarlo (LU), manufacturer of
the Medical Device "LENZUOLINO MEDICO" (Disposable medical roll),
Basic UDI-DI: 8022650C60000ZN, in the variant:

C62657 MEDILUX SIX - COUCH ROLL H 60 1X9

meant to be used to protect beds, stretchers, chairs or similar equipment during their use for medical activities,

DECLARES

Under its own responsibility, that the Medical Device referred to in object meets all the essential requirements of Annex I of Regulation EU 745/2017 on Medical Devices.

To this end, the company as represented above, warrants and declares the following:

- that the device in object complies with the applicable provisions of Regulation EU 2017/745 of European parliament and council;
- that the Device in object is sold in a NON STERILE form:
- that the Device in object belongs to Class I according to Regulation EU 745/2017, being a non-invasive device according to Rule 1 and not being applicable the other rules defined in ANNEX VIII, Chapter III, of that Regulation;
- that the Device complies with the essential requirements and provisions of Regulation EU 745/2017 as per the current version of the Technical File;
- that the Device is manufactured in accordance with the Quality System that meets the requirements of Annex VII of the above mentioned Regulation.

The manufacturer also declares:

- to have established and maintain an appropriate procedure to ensure the after-sales surveillance required by Regulations EU 745/2017;
- to keep the technical documentation relating to the Medical Device at the disposal of the competent Authorities at their premises.

Applicable harmonised European standards

The list is provided in the relevant technical file Annex 4 to section 1.

**INSTRUCTIONS FOR USE**

Product meant to cover the examination couch or other dry surface where the patient may lie during a medical examination or outpatient treatment.

Ensures patient's contact with a clean, non-irritating surface and avoids the need for frequent equipment cleaning procedures.

Do not use in contact with exposed wounds or injured skin. Do not use in a sterile environment (clean room); contact with sterile equipment does not guarantee that the equipment remains sterile.

Do not reuse. In case of accidental contact with potentially harmful fluids, dispose it properly. The medical device is not sterile.

No sterilization or cleaning is provided for the medical device by the user.

The device is for single use only after which it has to be disposed according to local regulations. This medical device does not contain any toxic or dangerous materials.
