

Build instructions - Art/craft workbench V.2.

Before you commence the assembly process, we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to check that you have the correct components. If for any reason you need assistance, you can find our contact details on the top of the page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

Ensure that you have all the correct parts as listed on the front page of these instructions, including any fixings.

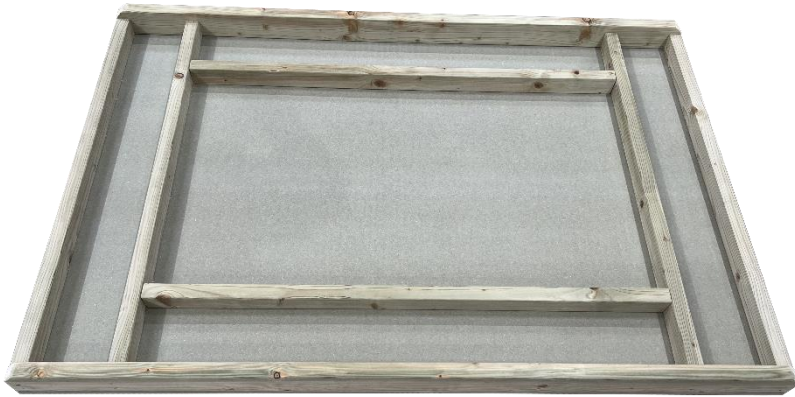

Package contents

- *1x Tabletop*
- *1x Base Shelf*
- *1x Drawer*
- *2x Legs*
- *2x Side covers*
- *1x Bundle with fixings*
necessary for the assembly

Tools required

Electric screwdriver (No.2 Pozi bit) or Screwdriver

Step 1

Place the worktop upside down and make sure that the surface you are putting the worktop is clear to not damage it.

Step 2

Place in the legs making sure that it is pushed into the corners.

Step 3

Secure the legs with the provided coach screws via predrilled pilot holes.

Step 4

Slide the base shelf into the lower slot.

Step 5

Secure the shelf with the 4x 40mm woodscrew.

Step 6

Now take the side covers and place them as shown, also make sure that each part is aligned. Secure the covers with the 40mm wood screws.

Step 7

Slide the assembled shelf in the empty slot

Your Art/craft workbench V.2. is now completed!

We hope that you found your product quick and easy to assemble.
