Bayley Arts is pleased to present 'Explorations' – Prints and Sculptures by Adrian Spurr and Prints by Joe Monteleone.

The exhibition honours the friendship and mutual respect these two artists have developed since they met in 2021 at Spurr's print studio in Seaford. The pairing of the two artists celebrates their comradeship, mixed abilities and personal journeys through the medium of printmaking.

## **In Conversation**

Join Joe and Adrian as they discuss and demonstrate their printmaking process on Sunday 22 October 12.30 – 1.30pm at Bayley Arts. Auslan interpreted event.
