

ALE ANDRO

PROSECCO

2023

COLOUR

Pale green straw

NOSE

Neutral nose in general but has a dash of green apple and gooseberry.

PALATE

This Prosecco (proh-sehk-koh) is a crunchy dry wine with limited residual sugar, balanced by a small addition of malic acid.

WINEMAKING

The grapes were harvested at night and gently cold-pressed immediately. The clean, pure juice was allowed to settle, then racked and fermented at cool temperatures to preserve the delicate aroma and flavour.

FOOD PAIRING

A perfect aperitif wine, especially on warm summer days with celebratory cuisine such as candied fruit panettone or the classic combination of melon and Parma ham
