

MUSHY RANCH POPCORN

Featuring our [Mushroom Meadows Ranch](#) seasoning

RECIPE

- Popcorn, anyway you like to pop it
- Melted butter, butter or oil spray, or no butter at all.
- Mushroom Street Farms [Mushroom Meadows Ranch](#) seasoning

PREPARATION

STEP 1

Toss or shake the popcorn with melted butter until it is completely coated. Be sure to get it as covered in butter as possible, because the butter is what will help the seasoning stick to the popcorn.

STEP 2

Then, it's time to add the seasoning! 2 Tbsps Mushroom Meadows Ranch seasoning per 6 cups of popcorn. Sprinkle the ranch seasoning evenly over the popcorn, then toss to completely coat it.
