

FOUR PILLARS GIFTING 2023

THE GIFT OF GIN

Here at Four Pillars, we make our gin with love (and botanicals). So, giving people gin is how we show we love them too.

This year we want to help you to give the gift of gin, with lots of opportunities for you to customise the perfect Four Pillars pressie.

With our very own Cameron Mackenzie crowned the 2023 Master Distiller of the Year (in this year's Gin Magazine's Icons of Gin Awards), we've got an amazing range of gins to choose from. And with our passion for flavour and sustainability, turning our spent botanicals and gin-steamed oranges into Made From Gin treats, we've got perfect non-gin gift options too.

Keep reading to check out some of our suggested gin gifts, or let us know your budget and who you're buying for and we can help tailor a gift (gin or otherwise) for you.

AUSTRALIAN CHRISTMAS GIN

Our annual Australian Christmas Gin is our distiller and co-founder Cameron's tribute to four things he loves: Australia, Christmas, gin and his late mum, Wilma. Distilled with Christmas puddings, the gin then ages for a year in 100-year-old Muscat barrels. With juniper-led Christmas tree notes and plum pudding character, it smells like gin and tastes like Christmas. And this year, every bottle comes in its very own gift box!
