up to 122mm	-----	UK4 (EUR 20/US 4.5/CN 120)

## FIND YOUR LITTLE ONE'S SHOE SIZE.

To find what shoe size your child requires stand them with one heel lining up to the dotted line. It's important their foot is nice and flat so press gently down onto their foot and make sure they don't curl their toes. Whichever line sits above their foot indicates which shoe size is right for them. (And please measure both feet as little people's feet can vary greatly in size!)

Place heel here
