Our 'hills' logo invokes the view from  
The Restaurant at Montalto, across to the treeline on our south  
facing Pennon Hill.

The Mitchell family have been vigneron in Red Hill since 1999,  
with our Estate wines reflecting balanced vine physiology and  
meticulous attention to detail across our up-hill and down-hill  
vineyards.

We've been orchestrating picnics at Montalto since we opened  
in 2002 and they are a much-loved offering on  
our estate.
