

MATERIAL SAFETY DATA SHEET

(page 1 of 2)

Aluminum coated glass beads

01. Identification of the substance and company: A Good Life Innovations Ltd Company

02. Date of production: April.10, 2018 Valid date: April 10, 2023

Product Name: Aluminum coated glass beads

Application

02.Composition/information on ingredients:

Chemical characterization

Glass, Aluminum

03.Hazard possibilities

This material safety data sheet (made) has been prepared in compliance with the federal hazard.

Communication standard. This product is considered to be a non-hazardous substance under that standard.

04.First aid measures

General information

No toxic effects observed in human beings.

Skin contact: Wash off with soap & water

Eye contact: Flush with water for 5 minutes.

INHALATION: Remove to fresh air.

Ingestion: Drink quantities of water& induce vomiting

05.Fire-fighting measures

Suitable extinguishing media

Water/foam/ABC powder/carbon dioxide

Special exposure hazard arising from the substance or preparation itself, its combustion products or from resulting gases.

None

Special protective equipment for fire fighting

Fire fighters should wear self-contained breathing apparatus when fighting chemical fires, using water spray to cool nearby containers and structures exposed to fire.

This product will not burn, using appropriate techniques to fight surrounding fire.

Additional information

Fire residues and contaminated fire fighting water must be disposed off in accordance with the local regulations.

06.Accidental release measures

Personal precautions

Use personal protective clothing. Avoiding dust formation. Knock down dust with water spray jet.

Environmental protection.

Wrap appropriate protective equipment to avoid the generation of dust, vacuum or shovel material and place in closeable containers for disposal.

Methods for cleaning up/taking up

Pick up mechanically when picked up, treat material as prescribed under heading “ disposal”

Additional information

Information regarding safe handling, see character 7, information regarding personal protective measures see chapter 8.

Information regarding.

Wastes disposal see chapter 13.

07.Handling and storage

Observe the usual precautions for handling chemicals.

Hints on safe handling.

MATERIAL SAFETY DATA SHEET

(Page 2 of 2)

Air cleaning with filter of room for dust removable

Hints for protection against fire and explosion

Observe the general rules of industrial fire protection.

Requirements for storage rooms and vessels

Store closed in cool dry area. When handling, wearing protective clothing & respirator to avoid scatter into the air.

Storage stability

Storage time: more than 24 months

08.Limit exposure and provide personal protection equipment for personnel.

Hygienic measures

Do not eat or drink during work time, do not smoke during work time

Respiratory protection: local exhaust /mechanical (general)

Hand protection: Plastic or neoprene

Eye protection: None

Skin protection: lab coat.

09.Physical and chemical properties.

Appearance

Form: powder

Color: grey

Odour: none

May cause irritation to eyes, skins & mucous membranes

10. Biological information.

Product is insoluble in water.

11. Disposal considerations

Dispose in accordance with state and local regulations.

The declaration of the waste number must be specified by the branch or process in accordance with the EWC regulations

Contaminated packaging

Completely empty packaging may be treated as household waste.

12. Regulatory information

National requirements

13. Other information.

Observe national and local legal requirements

All material involved of the product are specified in the following lists:

TiO₂—BaO—SiO₂. (CHINA), Aluminum(CHINA)

Laws, guidelines and recommendations

This product corresponds to the following guidelines

All information in this document are concerning the safety requirements of the product. All details are based on our best knowledge.

To the current situation. However, they do not apply as assurance for quality of the product with regard to liability Guarantee.
