

Lesson 10 - Your Commandments

Your business needs to become a direct reflection of you – and what you value.

Keeping your personal commandments at the heart of your business is the way to do this.

Download the form from the link below and write down your (3-5) personal commandments.

This may take a while, and you may end up revisiting these over the next few days in order to be 100% certain you've got them crystal clear.

Once you've set your commandments, your going to live by them!

Building a business based on your commandments is vital if you're going to build a business that feeds and sustains you spiritually, emotionally, and financially.

Examples could be: Give value to receive value; Never work on Wednesday afternoons; Never accept clients who I feel I can't connect with ...
