

ARLEWOOD

# Tasting Notes

MARGARET RIVER | SINGLE VINEYARD | ESTATE GROWN

## 2015 Cabernet Sauvignon

*The nose displays a mix of red and black fruits – red plum, blackcurrant and black cherry with underlying sweet spice.*

*The palate provides layers of ripeness including cherry, plum and cassis. The flavours are well supported by delicately interwoven French oak characters and a savoury complexity. There is power, yet a structure and balance that results in a wine that has a fine, long and flavoursome finish.*

Varieties	100% Cabernet Sauvignon
Fruit Source	Margaret River - Arlewood Estate Forest Grove Vineyard
