

# SAFETY DATA SHEET

## Section 1 - IDENTIFICATION OF THE MATERIAL

|  |   |
|--|---|
| <b>Product Name</b>                            | WOTNOT NATURAL SUNSCREEN SPF50+   |
| <b>Other Name(s)</b>                           | N/A   |
| <b>Recommended Use and restrictions on use</b> | Broad spectrum high protection sunscreen.<br>For external use only. Do not use on damaged or broken skin. When using this product keep out of eyes. |
| <b>Manufacturer</b>                            | ECOdirect Pty Ltd   |
| <b>ABN</b>                                     | 97 107 388 429  |
| <b>Address</b>                                 | Unit 5/19 Rodborough Road<br>Frenchs Forest<br>NSW 2086   |
| <b>Phone Number</b>                            | +61 02 8413 1960  |
| <b>Emergency Contact Number</b>                | +61 02 8413 1960  |

## SECTION 2 – HAZARD IDENTIFICATION

Not classified as Dangerous Goods by the criteria of the Australian Dangerous Goods Code (ADG Code) for transport by Road and Rail

NON-DANGEROUS GOODS

### Classification of the chemical:

Not classified as Hazardous according to the Globally Harmonised System of Classification and labelling of Chemicals (GHS) including Work, Health and Safety regulations, Australia.

## SECTION 3 – COMPOSITION AND INFORMATION ON INGREDIENTS

| Component                                  | CAS number | Proportion |
|--|------------|------------|
| Zinc oxide                                 | 1314-13-2  | 10-<30%    |
| Ingredients considered not to be hazardous | N/A        | Balance    |

## SECTION 4 – FIRST AID MEASURES

|                                |  |
|--------------------------------|--|
| <b>In case of eye contact</b>  | If in eyes, hold eyelids apart and flush the eyes continuously with running water. Continue flushing for several minutes until all contaminants are washed out completely. If symptoms develop and persist seek medical attention. |
| <b>In case of skin contact</b> | The product is designed for skin contact and rinse off. If there is a reaction, wash affected area thoroughly with soap and water. If symptoms persist seek medical attention. If irritation or rash develops discontinue use.     |

PRODUCT NAME: WOTNOT NATURAL SUNSCREEN SPF50+  
PRODUCT CODE: SC0009

ISSUE DATE: 6<sup>TH</sup> June 2023  
VERSION: 1

# SAFETY DATA SHEET

|  |  |
|--|--|
| <b>If swallowed</b>  | May cause irritation to digestive tract. Do not induce vomiting. Give large amount of water. Wash out mouth thoroughly with water. If symptoms develop seek medical attention. |
| <b>If inhaled</b>  | Not likely if used as intended. In case it happens get medical attention   |
| <b>Protection of first aiders</b>                                  | No special precautions   |
| <b>Notes to physician</b>  | Treat symptomatically  |
| <b>Most important symptoms and effects, both acute and delayed</b> | For advice in an emergency, contact a Poisons Information Centre (Phone Australia 13 1126; New Zealand 0800 POISON / 0800 764 766) or a doctor at once.                        |

## SECTION 5 – FIRE FIGHTING MEASURES

|   |  |
|---|--|
| <b>Suitable extinguishing media</b>                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment   |
| <b>Unsuitable extinguishing media</b>                 | None known   |
| <b>Specific hazard during fire fighting</b>           | Not flammable or combustible   |
| <b>Hazardous combustion products</b>                  | This product is non-combustible. However, heating can cause expansion or decomposition leading to violent rupture of containers.   |
| <b>Special protective equipment for fire-fighters</b> | Fire fighters should wear Self-Contained Breathing Apparatus (SCBA) operated in positive pressure mode and full protective clothing to prevent exposure to vapours or fumes. Water spray may be used to cool down heat-exposed containers. |

## SECTION 6 – ACCIDENTAL RELEASE MEASURES

|                             |   |
|-----------------------------|---|
| <b>Emergency procedures</b> | Slippery when spilt - avoid accidents. Wear protective clothing to minimise skin and eye exposure. If possible, contain large spills, absorb with inert absorbent such as sand, soil or vermiculite and place in suitable, labelled containers. Mop up material and place into the same container. Hose down residues or minor spills with excess water. If contamination of sewers or waterways occurs inform the local water and waste management authorities in accordance with local regulations. |
|-----------------------------|---|

## SECTION 7 – HANDLING AND STORAGE

|                                |   |
|--------------------------------|---|
| <b>Advice on safe handling</b> | No special handling required. It is essential that all who come into contact with this material maintain high standards of personal hygiene i.e.. Washing hands prior to eating, drinking, smoking, or using toilet facilities. |
|--------------------------------|---|

**PRODUCT NAME: WOTNOT NATURAL SUNSCREEN SPF50+**  
**PRODUCT CODE: SC0009**

**ISSUE DATE: 6<sup>TH</sup> June 2023**  
**VERSION: 1**

# SAFETY DATA SHEET

|                                    |  |
|------------------------------------|--|
| <b>Conditions for safe storage</b> | Keep out of reach of children. Store in suitable labelled containers in a cool, dry, well-ventilated area, out of direct sunlight. Keep containers closed when not in use. |
| <b>Storage temperature</b>         | Below 30°C   |

## SECTION 8 – EXPOSURE CONTROL AND PERSONAL PROTECTION

|   |  |
|---|--|
| <b>Exposure guidelines</b>                  | Exposure guidelines are not relevant when product is used as intended in a household setting |
| <b>Occupational exposure limits</b>         | No exposure value assigned for this material by Safe Work, Australia.                        |
| <b>Engineering measures</b>                 | No information available   |
| <b>Biological limit values</b>              | No biological limit allocated  |
| <b><u>Personal Protective Equipment</u></b> |  |
| <b>Eye protection</b>                       | No special protective equipment required. However, avoid eye contact                         |
| <b>Skin protection</b>                      | No special protective equipment required   |
| <b>Respiratory protection</b>               | No special protective equipment required   |

## SECTION 9 – PHYSICAL AND CHEMICAL PROPERTIES

|                                    |                                |
|------------------------------------|--------------------------------|
| <b>Appearance</b>                  | Smooth white cream             |
| <b>Odour</b>                       | Characteristic sunscreen odour |
| <b>pH value</b>                    | No information available       |
| <b>Melting/freezing point</b>      | No information available       |
| <b>Boiling point/boiling range</b> | No information available       |
| <b>Flash point</b>                 | No information available       |
| <b>Evaporation rate</b>            | No information available       |
| <b>Flammability limits in air</b>  | No information available       |
| <b>Vapour pressure</b>             | No information available       |
| <b>Vapour density</b>              | No information available       |
| <b>Relative density</b>            | ~1.06                          |
| <b>Water solubility</b>            | Insoluble                      |
| <b>Autoignition temperature</b>    | No information available       |
| <b>Decomposition temperature</b>   | No information available       |
| <b>Viscosity</b>                   | No information available       |

## SECTION 10 – STABILITY AND REACTIVITY

|                                 |   |
|---------------------------------|---|
| <b>Reactivity</b>               | None under normal conditions            |
| <b>Stability</b>                | Stable under normal conditions          |
| <b>Hazardous polymerisation</b> | Hazardous polymerisation does not occur |
| <b>Hazardous reactions</b>      | None under normal processing            |
| <b>Conditions to avoid</b>      | Extreme temperature and direct sunlight |
| <b>Materials to avoid</b>       | None                                    |

**VERSION: 1**

# SAFETY DATA SHEET

Hazardous decomposition products

None under normal conditions

## SECTION 11 – TOXICOLOGICAL INFORMATION

### Product information

#### Information on likely routes of exposure

|              |   |
|--------------|---|
| Inhalation   | No known effect                             |
| Skin contact | No known effect                             |
| Ingestion    | No known effect                             |
| Eye contact  | Avoid contact with eyes. Irritating to eyes |

#### Delayed and immediate effects and chronic effects from short- and long-term exposure

|                                   |                    |
|-----------------------------------|--------------------|
| Acute toxicity                    | Not available      |
| Skin corrosion/irritation         | No known effect    |
| Serious eye damage/eye irritation | Irritating to eyes |
| Skin sensitisation                | Irritating to skin |
| Respiratory sensitisation         | No known effect    |
| Germ cell mutagenicity            | No known effect    |
| Neurological effects              | No known effect    |
| Reproductive toxicity             | No known effect    |
| Developmental toxicity            | No known effect    |
| Teratogenicity                    | No known effect    |
| STOT – single exposure            | No known effect    |
| STOT-repeated exposure            | No known effect    |
| Target organs effect              | No known effect    |
| Aspiration hazard                 | No known effect    |
| Carcinogenicity                   | No known effect    |

## SECTION 12 – ECOLOGICAL INFORMATION

### The product is not expected to be hazardous to the environment

|                               |  |
|-------------------------------|--|
| Persistence and degradability | No information available   |
| Bio-accumulative potential    | No information available   |
| Mobility                      | No information available   |
| Environmental protection      | Prevent large amounts from entering waterways, drains and sewers |

## SECTION 13 – DISPOSAL CONSIDERATION

|                |  |
|----------------|--|
| Waste disposal | No special precautions are required for the disposal of this product. If bulk quantities are required to be disposed of, contact the manufacturer for additional information |
| Legislation    | Dispose in accordance with relevant local legislation  |

## SECTION 14 – TRANSPORT INFORMATION

### Road and Rail Transport:

Not classified as Dangerous Goods according to the Australian Code for the Transport of Dangerous Goods by Road and Rail. (7th edition)

### Marine Transport (IMO/IMDG):

Not classified as Dangerous Goods by the criteria of the International Maritime Dangerous Goods Code (IMDG Code) for transport by sea.

### Air Transport (ICAO/IATA):

Not classified as Dangerous Goods by the criteria of the International Air Transport Association (IATA) Dangerous Goods Regulations for transport by air.

IMDG Marine pollutant                      No

## SECTION 15 – REGULATORY INFORMATION

**Not classified as Hazardous according to the Globally Harmonised System of Classification and labelling of Chemicals (GHS) including Work, Health and Safety regulations, Australia.**

**Not classified as a Scheduled Poison according to the Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP).**

Poison schedule                              Not Scheduled

AICS (Australia)                              The listed chemicals are included in Australian Inventory of Chemical Substances (AICS) or otherwise notified under NICNAS.
