Learn more at: <https://www.densmarthome.com/>

Requires a compatible phone or tablet with the free DEN app and Bluetooth.

For more info, visit [densmarthome.com](https://www.densmarthome.com). Use requires creation of a DEN Account and acceptance of Terms of Service.

Remote control and mobile notifications require a working internet connection.
Requires 2 AA batteries. If batteries become depleted, you can unlock the door using the key for your standard door lock.
Battery Life: 2 years.
Patent Pending

FEATURES

BEAUTY + BRAINS

Your customers can now keep their beautiful door hardware with the benefits of a smart lock.

ROCK-SOLID DESIGN

Expertly milled with only four simple moving parts.

EASY INVENTORY MANAGEMENT

The invisible nature eliminates the need to stock colors and hardware styles.

SMART HOME CONNECTIVITY

With Z-Wave 700 Series and BLE connectivity, it “talks” to thousands of smart devices from hundreds of brands.

USER FRIENDLY DEN APP

Remote Access, Unique Access Codes—grant access to others at specific times, and Real-Time Notifications with the peace of mind of complete access history.
