VIKINGBGS V-ROD SOLO BAG INSTRUCTION

Instruction

The back of the solo bag comes with 2 securing straps. Route the straps around the horizontal support right under the seat on right or left side of the bike. Ensure straps aren't lax and are buckled securely.

Note

You may install this bag on either side of the bike.

⚠ Warnings

- ✓ Avoid usage of any mounting part that is impaired or is not working properly.
- ✓ Sporadically check for shifting of the bag and verify that no part of the mounting system is interfering with any part of the motorcycle while riding. This includes the drive train, suspension, brakes and wheels.
- ✓ Do not install if you are unsure about the instructions. Vikingbags is not responsible for any damage caused due to improper installation of the bag.
