

Viking Odyssey 30L Adventure Touring Duffel Bag Installation Guide:

Parts:

- i Dry Bag
- ii Top MOLLE Expansion Panel
- iii Bottom Expansion Panel
- iv Mounting Straps
- v Shoulder Straps

Tip:

- i The bag can be mounted in multiple configurations to accommodate different bikes; however, this installation guide shows just one way to mount it on your bike.

Parts Diagram:

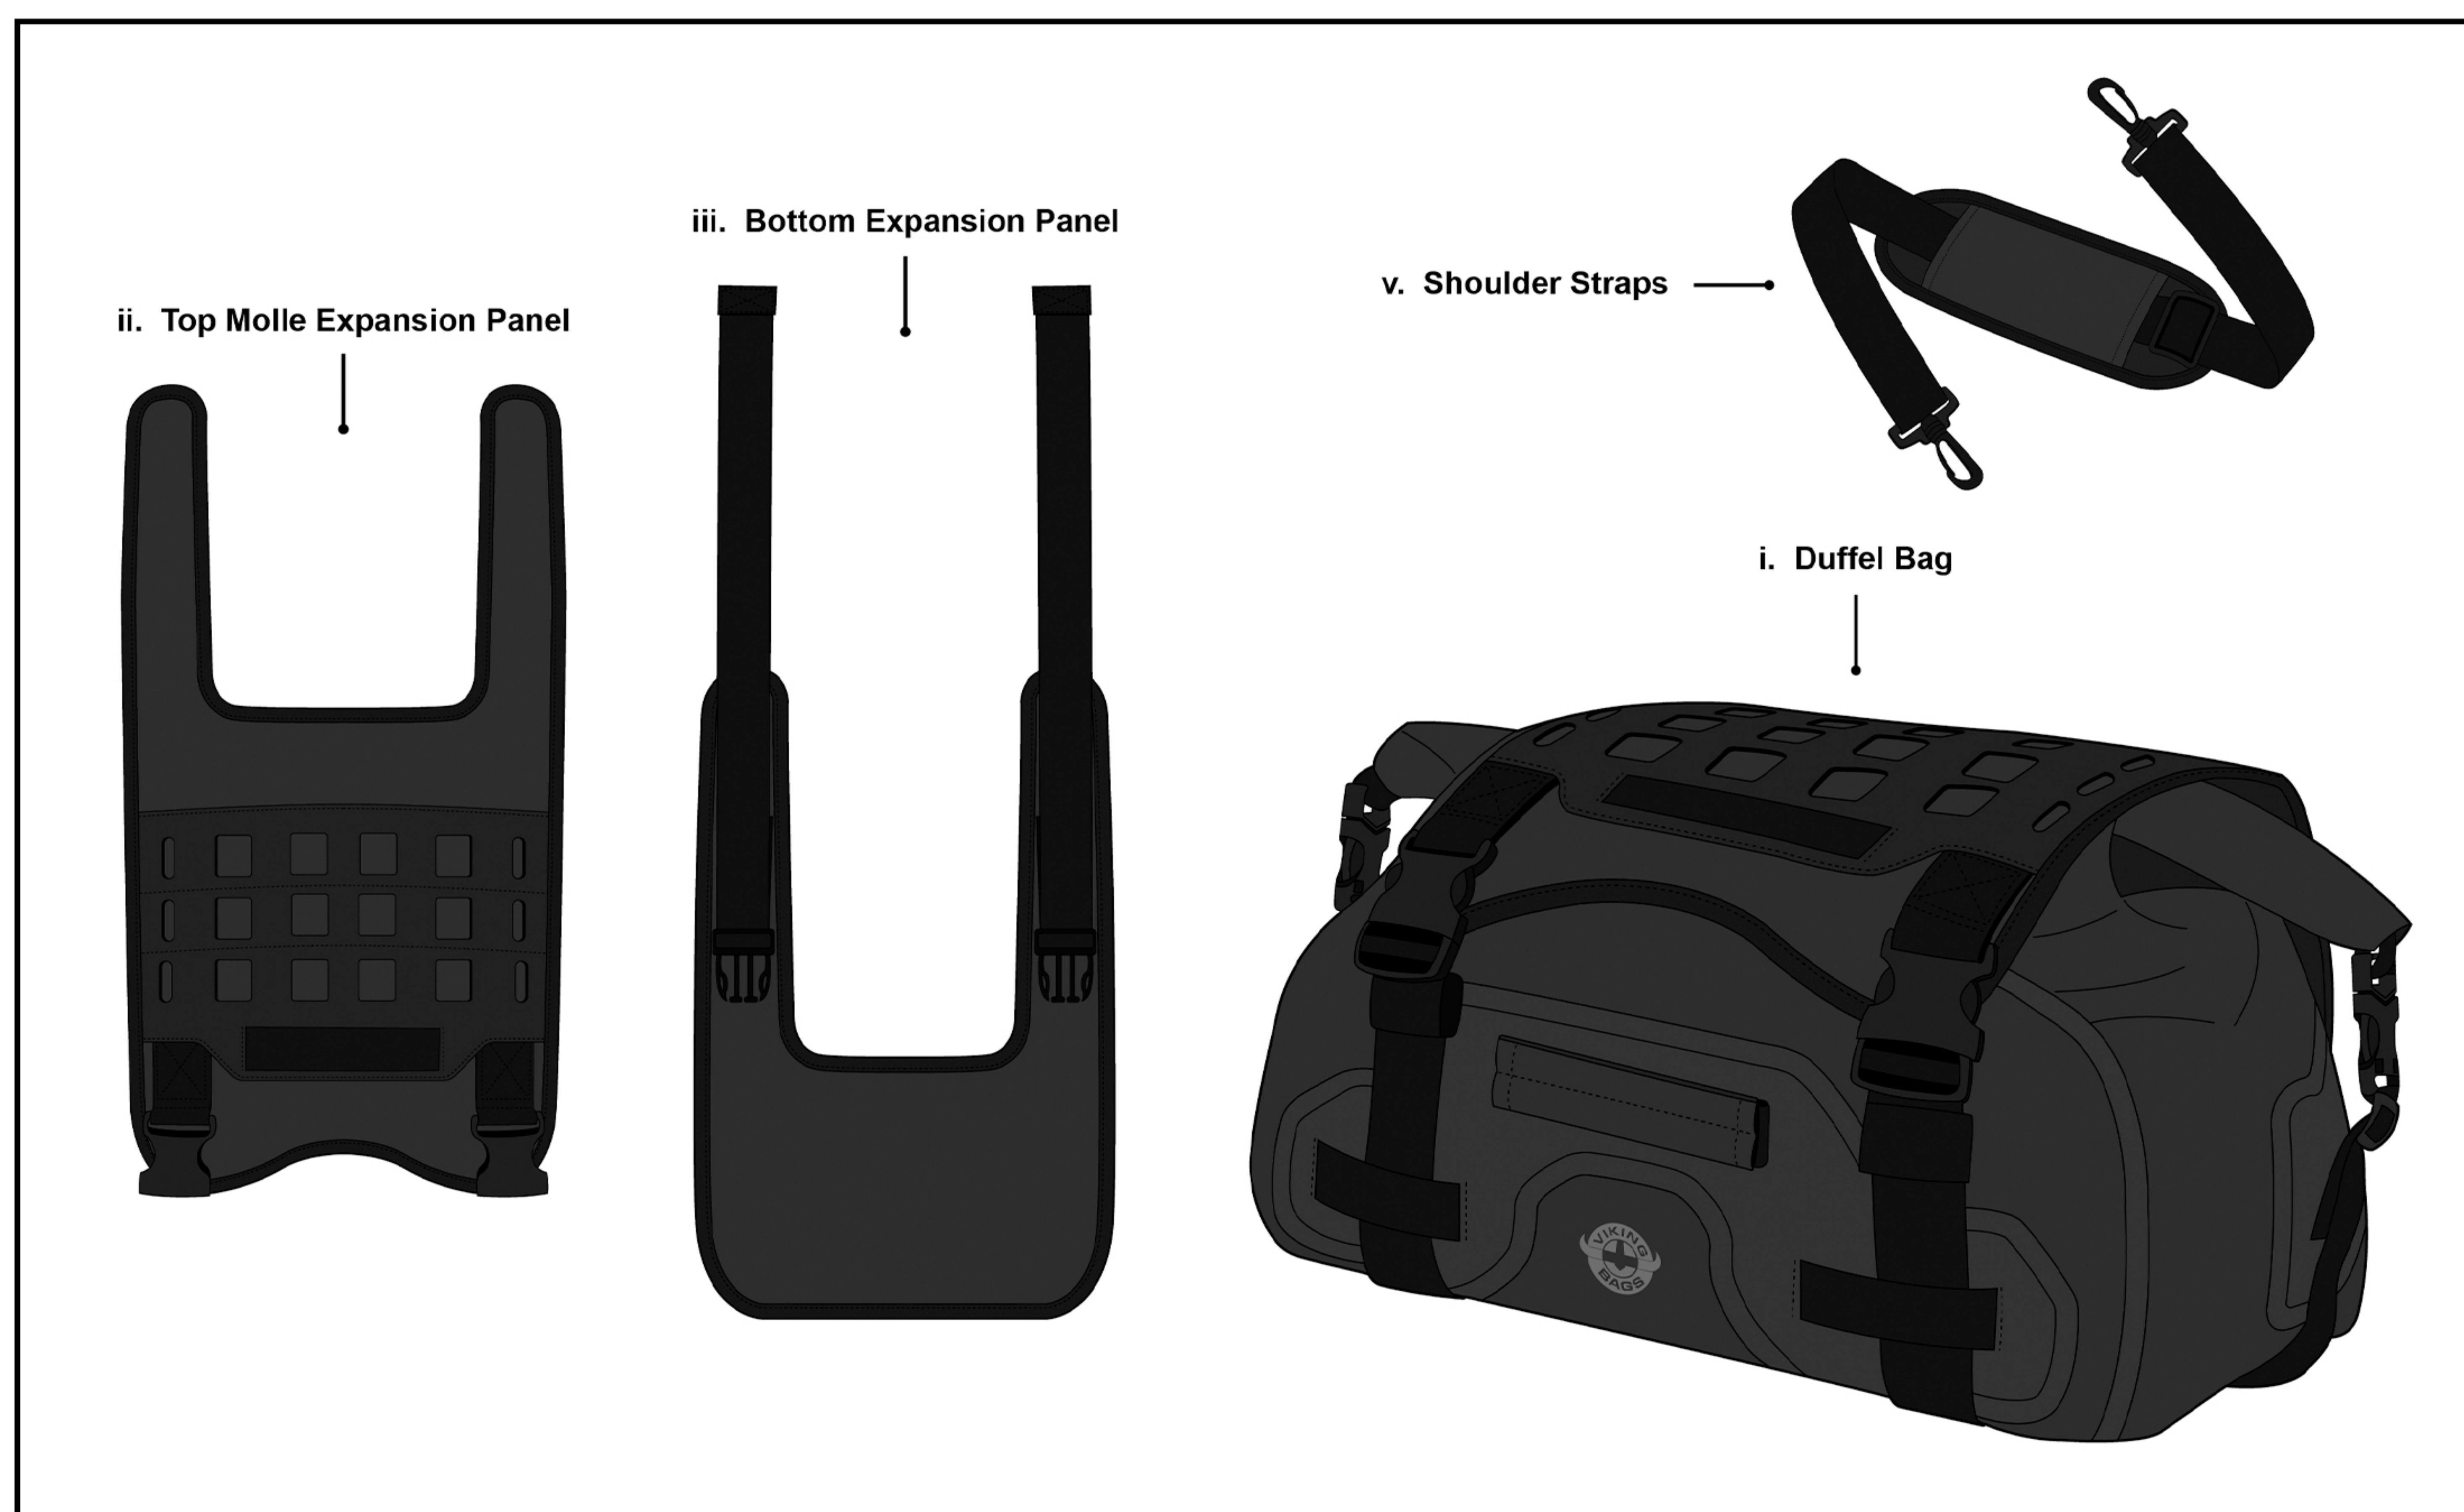

Fig 1. Parts List

Instructions:

Step 1:

Once the bag is filled, attach the top MOLLE expansion panel (II.) and the bottom expansion panel(III) by running them through the webbings on the duffel bag (See Fig.1)

Fig 1. Attaching both the expansions

Step 2:

Position the duffel bag at the center of your luggage rack.

Step 3:

Use the provided mounting straps(IV.) and insert them through the webbings, loop them around the top or side of the bag, and secure each end of the mounting straps. (See Fig 2.)

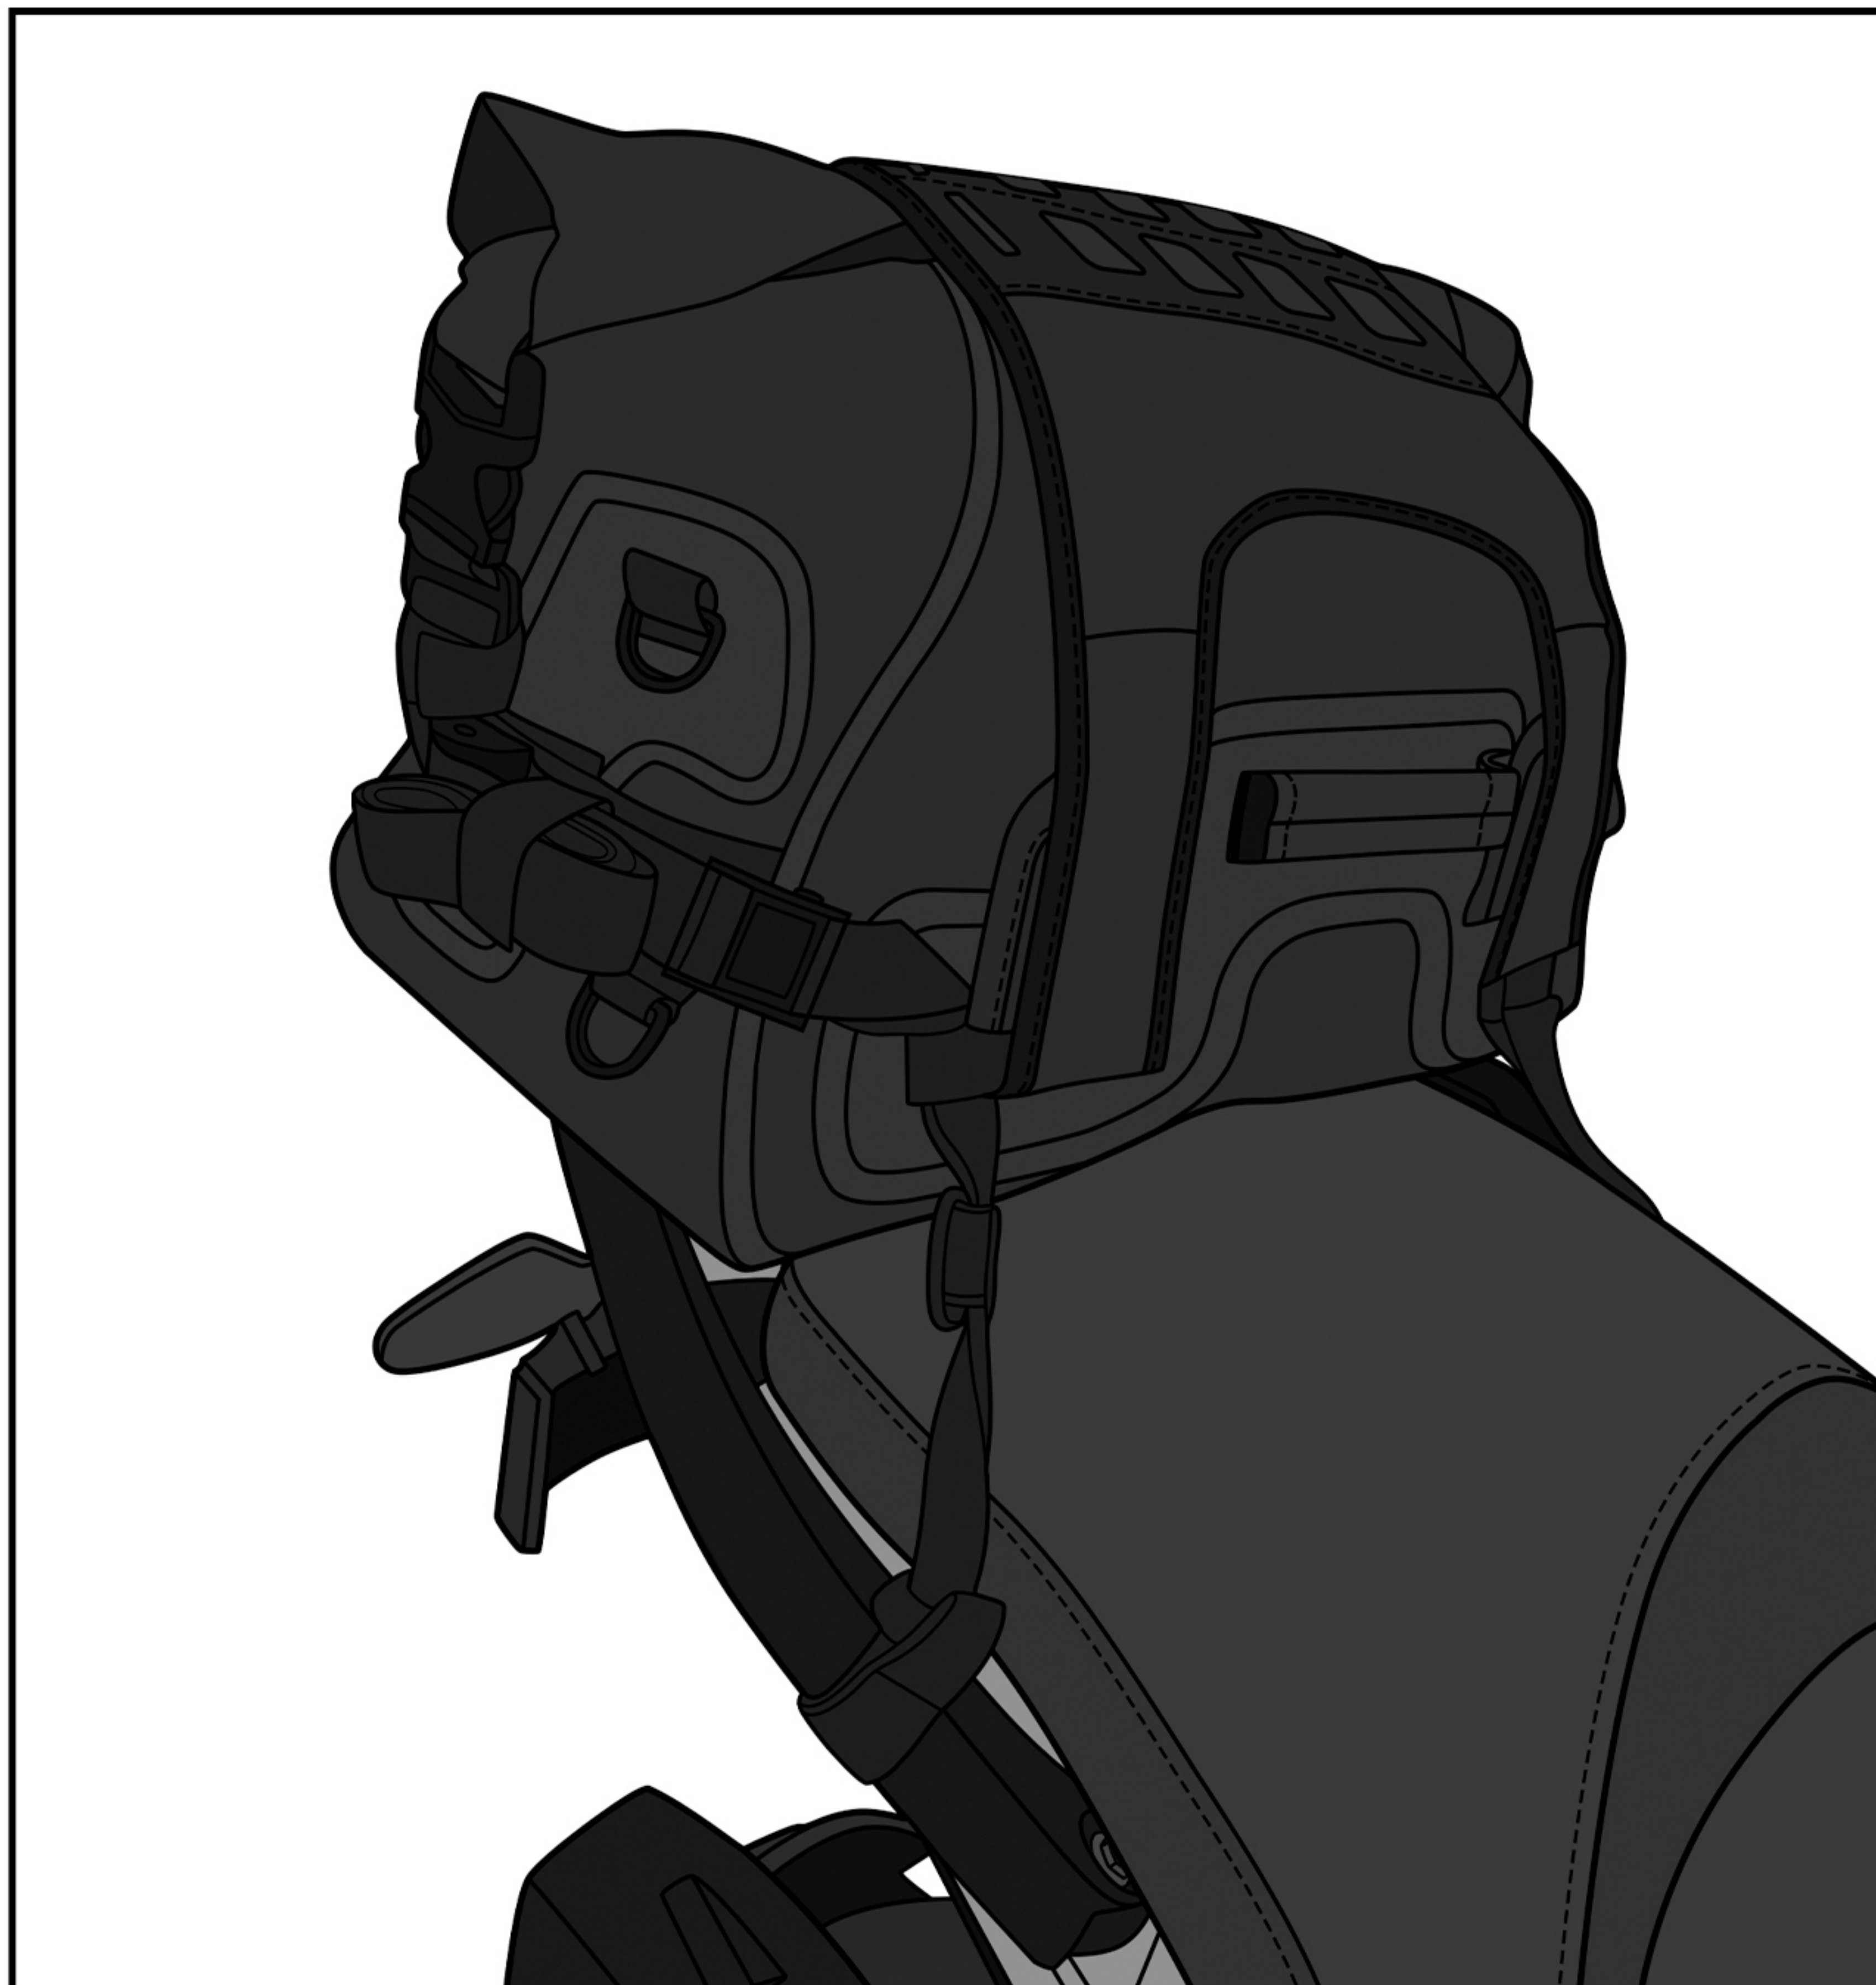

Fig 2. The bag is mounted on the bike using mounting straps

Congratulations! You have successfully installed the Viking Odyssey 30L Adventure Touring Duffel Bag.

Warnings!

- Do not install if any of the mounting hardware is damaged or impaired.
- If you have any questions or concerns about the installation, call Viking Bags or consult your local mechanic.
- Ensure no part of the bag constructs any of the moving parts of the bike.
- Viking Bags is not liable for any damage or malfunctions caused to your motorcycle during the installation process.
- Improper loading can cause vehicle handling problems leading to death or severe injury.
- Periodically check the bolts on your bike for tightness.
