

Viking Renegade Water Resistant Sissy Bar Bag

Parts Included

- A. Renegade Water Resistant Sissy Bar Bag.
- B. Mounting Straps.

Note:

For bikes with backrest pad or shorter sissy bars, you may only be able to use the bottom straps. In such a case, make sure the top strap is securely stowed away and doesn't hang loose.

Tip:

The bag includes a straps that can be secured to the bike using D-rings.

Step 1 :

Place the water resistant sissy bar bag on the luggage rack or passenger seat with strap side facing the sissy Bar/Backrest uprights. See Figure A.

Step 2 :

Put the bag in a way where the sissy bar goes through the mounting strap located in the center. Then wrap the straps on the side to the sissy bar and tighten them. Use the extra straps with quick release buckles to secure the bottom of the bag to the bike using the D-Rings.
