

Viking Premium Tour Pack for Harley Touring Motorcycle:

Parts Included:

- i Viking Premium Tour Pack

Note:

- i. Separate purchase of Viking Tourer Luggage Rack or Harley Davidson OEM Tour-Pak rack is required for installation
- ii. An open Tour Pack is unstable before it is securely installed. Use a helping hand to install the Tour Pack
- iii. You will need to use OEM screws, nuts, and bolts for this installation.

Installing the Tour Pack:

Step 1

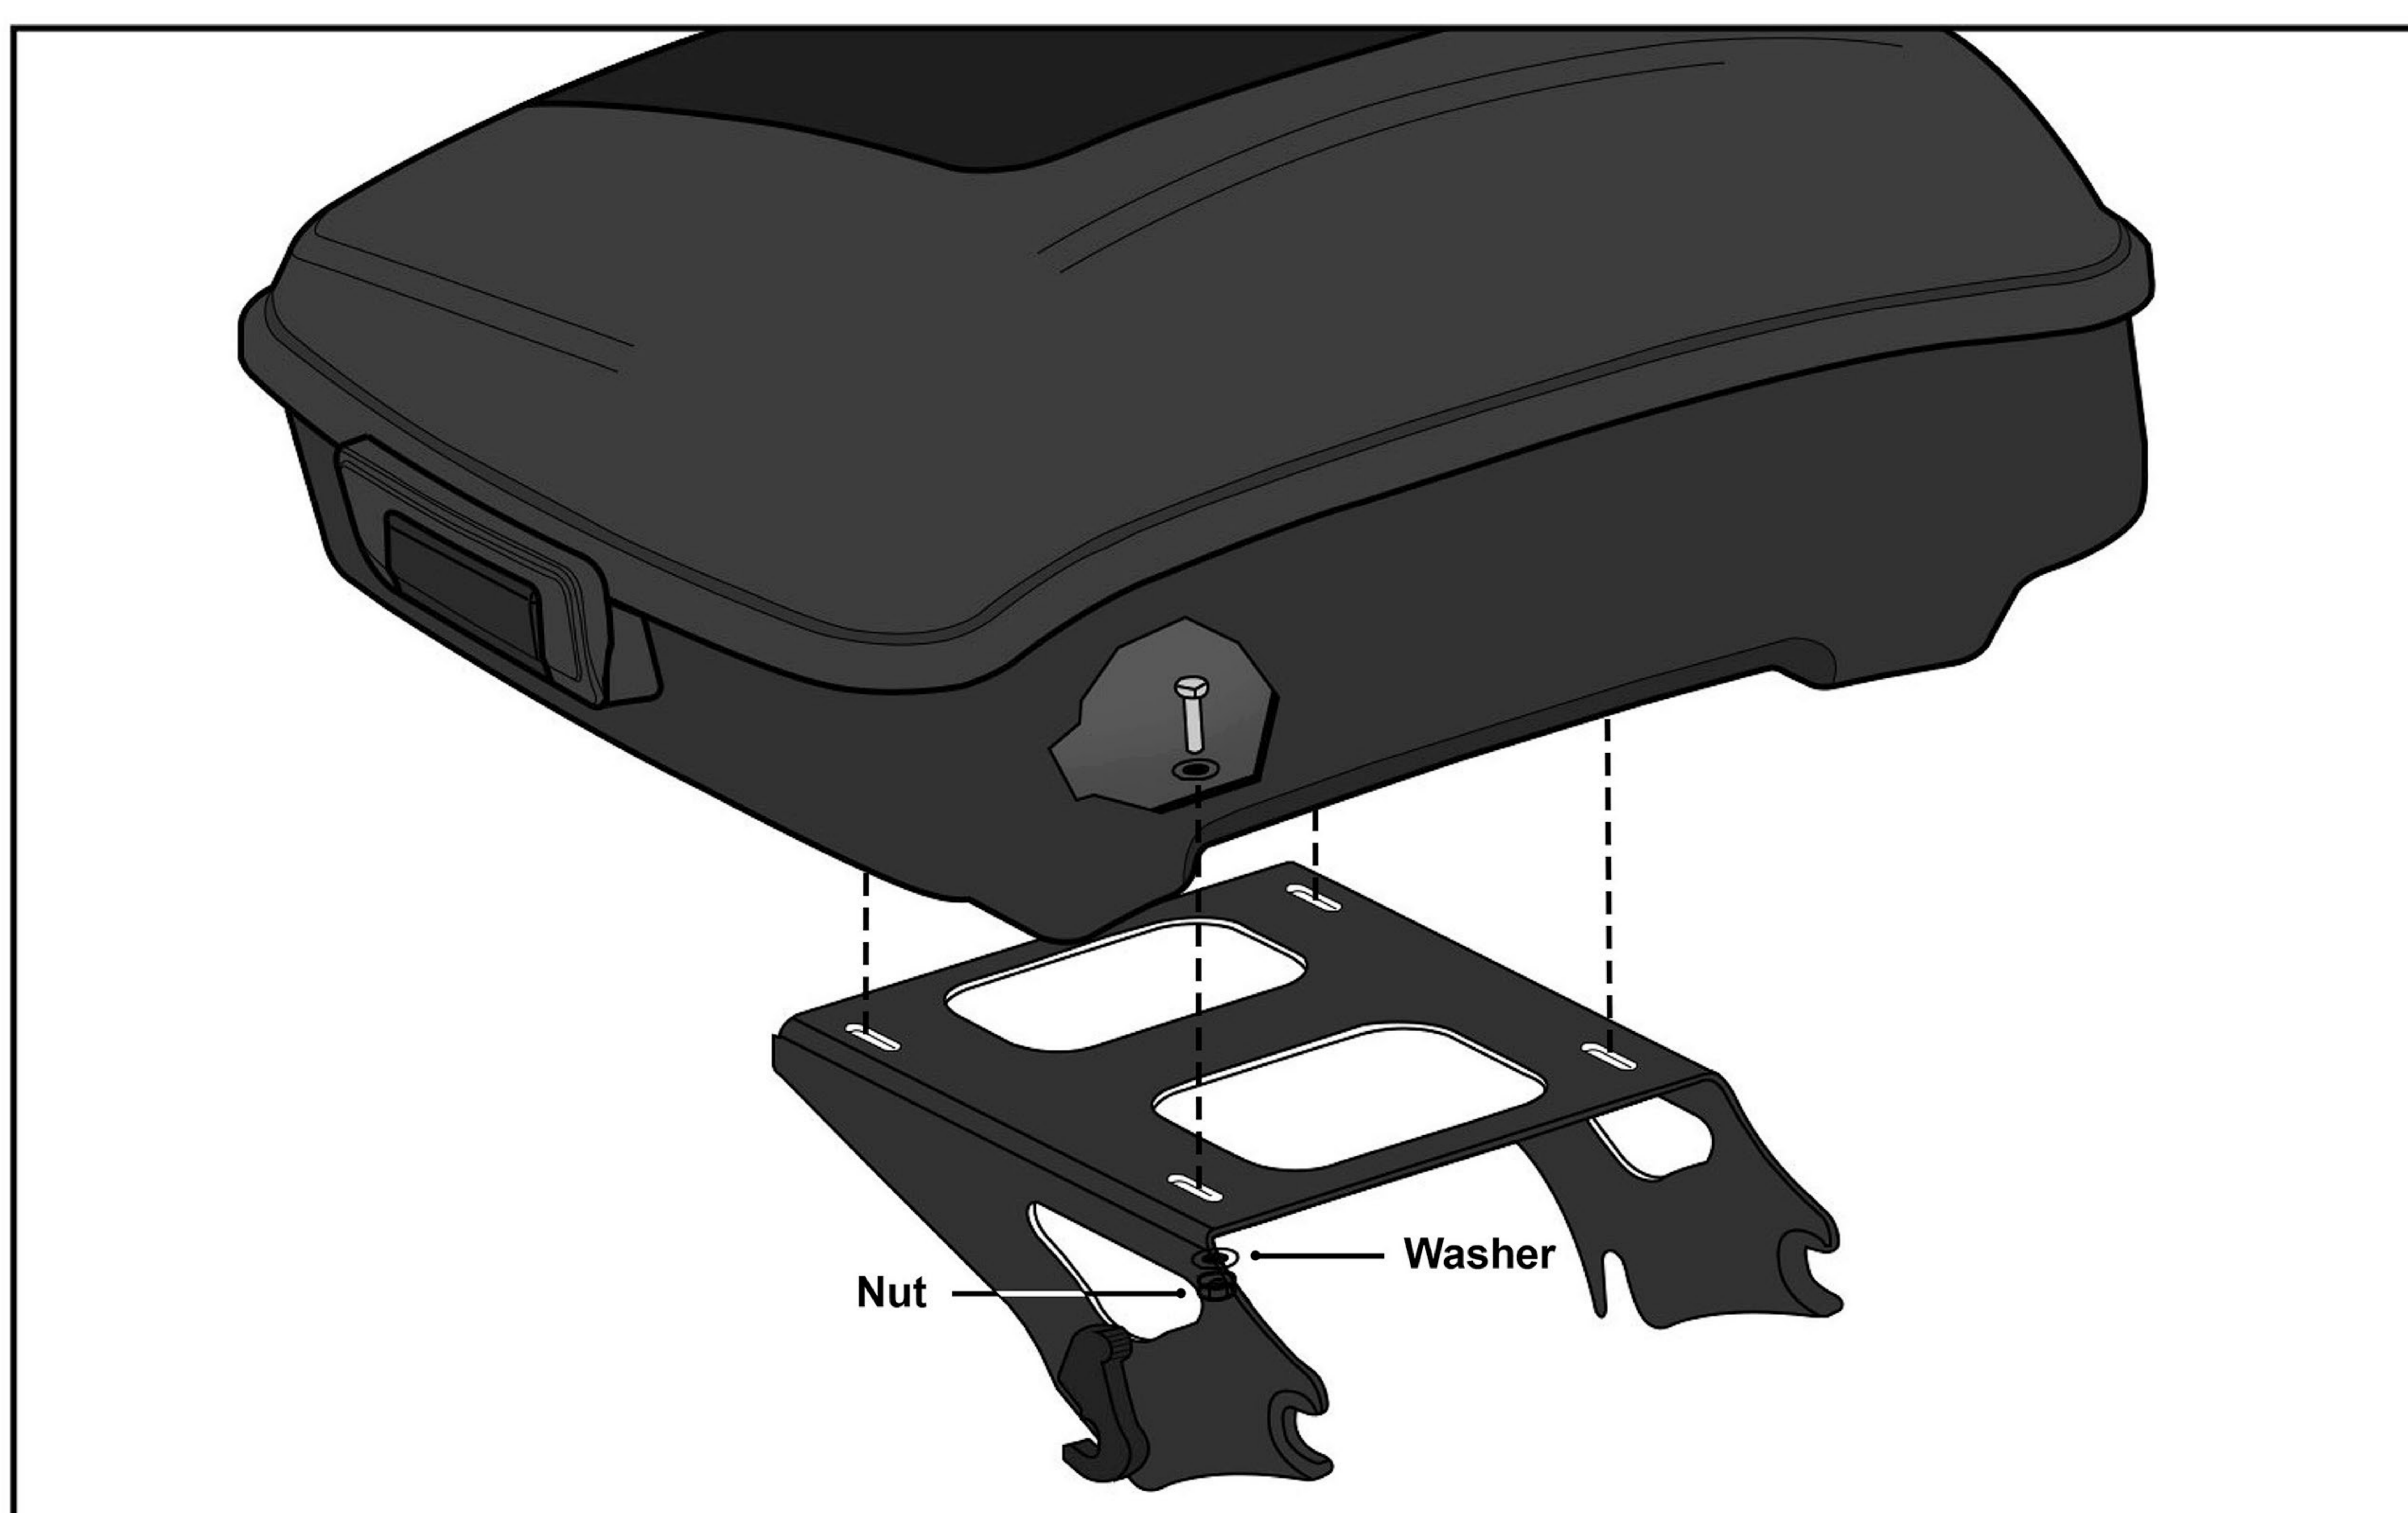

Unscrew the 4 flange nuts from the underside of the Tour Pack.

Step 2

Insert the 4 hex screws through the Tour Pack rack. (See Fig 1.)

Step 3

Use the 4 flange nuts you removed in Step 1 and tighten them from the underside of the Tour Pack rack.

(Figure 1). Mounting the Tour Pack

**Congratulations, your Viking Premium Tour Pack are installed
and you are ready to ride!**

Warnings !

- Do not exceed the weight capacity of the Tour Pack. Overweight can cause loss of control, resulting in serious injury or death in severe cases.
- Avoid using any mounting part that is impaired or not working properly.
- Ensure no part of the bag obstructs any of the moving parts of the bike.
- In case you are unsure about your ability to install the saddlebags securely, please seek assistance from a qualified mechanic.
- Viking Bags is not responsible for any damage or injury resulting from improper use of the product.
