

HIGHONLOVE®

VEGAN | CRUELTY FREE | PARABEN FREE

SENSUAL BATH OIL

Sweet Lavender

Benefits

- A synergistic blend of Sweet Almond, Coconut, Avocado, Argan, and Hemp Seed Oils delivers high concentrations of skin-identical lipids—primarily oleic and linoleic acids—which replenish intercellular lipids and enhance the skin's natural moisture barrier.
- These oils exhibit emollient, antioxidant, and barrier-restoring effects essential for maintaining skin integrity.
- Vitamin E (Tocopherol) is a strong antioxidant which helps fight free radical damage and promote skin healing to diminish signs of aging.
- Promotes epidermal barrier repair
- Reduces trans-epidermal water loss (TEWL).
- Improves lipid matrix flexibility, leading to softer, more supple skin.
- All this along with the beautiful milky bath which leaves your skin feeling velvety soft

SENSUAL BATH SALTS

Rosemary Lavender

Benefits

- Contains Himalayan Pink Salt, Dead Sea Salt, and Epsom Salt, which supply bioavailable minerals (magnesium, calcium, bromide, potassium) that enhance hydration and barrier function via transdermal mineral delivery.
- Kaolin Clay purifies and absorbs toxins
- Hemp Seed, Ylang Ylang, Rosemary, and Lavender Oils provide calming, antioxidant-rich, and antimicrobial benefits.
- Chamomile and Rose Buds enhance soothing and anti-inflammatory action through their flavonoid and azulene content.
- Detoxifies skin by absorbing impurities and heavy metals.
- Replenishes trace elements essential for skin homeostasis.
- Aromatherapy-enhanced relaxation via calming terpenes and esters.
- Restores hydration and calming inflamed or sensitive skin.

BODY BUTTER

Vanilla

Benefits

- Shea Butter, Macadamia, Coconut, Sweet Almond, Argan & Hemp Seed Oils: Provide a structured matrix of long-chain saturated and unsaturated fatty acids, restoring lipid bilayers and improving skin cohesion.
- Phytosterols: Reduce inflammation and transepidermal water loss (TEWL), supporting barrier integrity.
- Glycerin: Humectant that binds moisture, reinforcing hydration from within.

Lexfeel® N350 MB (Silicone Alternative):

- Forms a light, breathable, plant-derived film that enhances sensory spread and glide.
- Improves lipid retention and skin smoothness without occlusion.
- 100% biodegradable and plant-based
- Supports restoration of the lipid barrier, especially in dry or compromised skin.
- Increases elasticity and dermal flexibility via enhanced hydration.
- Provides a soft, velvety afterfeel while reducing TEWL.

PLUMPING LIP GLOSS

Pear and Pineapple

Benefits

- Vanillyl Butyl Ether: Activates TRPV1 receptors for gentle warming and enhanced microcirculation.
- Menthyl Lactate: TRPM8 agonist delivering a controlled cooling sensation.
- Combined, they stimulate opposing thermoreceptors to enhance vasodilation, boost blood flow, and create a visible plumping effect on the lips.
- Hemp Seed Oil: Provides a balanced omega-3/omega-6 profile to strengthen the lipid matrix and maintain suppleness.
- Vitamin E (Tocopherol): Antioxidant protection against oxidative stress; supports conditioning and repair of delicate lip tissue.
- Smooth, cushion-like glide with uniform film formation.
- High-gloss, light-reflective finish.
- Long-wear conditioning with lasting hydration.
- Reinforces lip barrier integrity while delivering a multi-sensory plumping experience.

PLUMPING LIP BALM

Kiwi

Benefits

- Coconut, Shea Butter & Hemp Seed Oils: Reinforce the delicate lip barrier, maintaining suppleness and structural integrity.
- Vitamin E: Provides antioxidant defense while conditioning and softening fragile lip tissue.
- Capsicum Extract: Natural vanilloid receptor agonist that stimulates microcirculation, enhancing lip volume, color, and visible plumping.

Versagel® SQ 500 T (Squalane-Based Gel System)

- Integrates squalane into the lip barrier to improve hydration and support lipid replenishment.
- Reduces transepidermal water loss (TEWL) for long-wear moisture retention.
- Provides a high-gloss, mirror-like finish while smoothing fine lines and surface irregularities.

DRY BODY OIL

Benefits

- Quick-Penetrating Oils (Sunflower, Sweet Almond, Argan, Jojoba, Macadamia, Sesame, Grape Seed, Hemp Seed): Rich in unsaturated fatty acids and tocopherols, supporting skin nourishment and antioxidant protection.
- The formulation closely resembles natural skin lipids, enabling rapid absorption and a dry-touch finish without clogging pores or leaving residue.
- Lightweight Hydration: Delivers moisture efficiently while replenishing essential fatty acids to support barrier maintenance.
- Enhanced Skin Appearance: Improves natural glow and leaves a smooth, silky afterfeel.
- Combines fast absorption, lightweight hydration, antioxidant support, and barrier reinforcement for soft, nourished, and radiant skin.

SOFT TOUCH HAND CREAM

Benefits

- Sweet Almond, Hemp Seed, Macadamia, and Argan Oils support lipid replenishment, strengthen the skin barrier, and improve resilience.
- Glycerin provides humectant properties, binding water to maintain hydration.
- Rosemary Water offers natural astringent and antimicrobial benefits.
- Reinforces the skin against environmental stressors and frequent washing.
- Restores softness and elasticity for smoother, healthier-feeling hands.
- Lightweight, non-greasy formulation suitable for daily use.

FIRMING BODY OIL

Benefits

Gatuline® In-Tense MB

- Reinforces dermal architecture and stimulates fibroblast biomechanical functions.
- Reduces the appearance of wrinkles on face, neck, and smoothes the décolleté area.
- Promotes immediate visible lifting via contraction of fibroblast-anchored collagen fibers.
- Enhances dermal density, smoothness, and skin tone with regular use.
- Strengthens elasticity through cumulative bioactive exposure.
- Circulation-Enhancing Essential Oils (Peppermint, Geranium, Rosemary): Improve nutrient delivery, support detoxification, and enhance microcirculation.
- Lipid-Phase Delivery (Castor, Jojoba, Grape Seed, Hemp Seed Oils): Ensures optimal penetration and supports dermal regeneration.

SENSUAL MASSAGE CANDLE
