15. The N.i.c.e. Pack Utilitarian Bag

Designed by Particulars founder and fashion industry veteran Melissa Akkaway (whose L.A. boutiques were celebrity shopping havens), [this cool carryall](#) isn't your basic fanny pack. Equipped with plenty of interior and exterior pockets for stowing away lipstick, credit cards and other belongings, the bag can be worn on the waist or over a shoulder, as a clutch or used as your tote's organizer.
