

# Blackwater River State Forest 2015 Reforestation

**Directions**

Our Blackwater trees planted in 2015 are easy to find. From US 90/FL10 in Milton FL, take Timber Crest Road North and turn left onto Boundary Line Road. Our trees will be approx. 4 miles down Boundary Line Road on the left. If you reach Deaton Bridge Road, you have gone too far. We encourage you to get a good map of Blackwater before you go. Call us if you have questions!
