11 Kink vase

The Kink vase, designed by Earnest Studio for Muuto, brings a contemporary form to the archetypal flower vase. A combination of traditional ceramic craftsmanship and playful design language makes the vase an art piece, even when not in use.

13 Paradise Bird upholstered bed

The airy metal structure of the Paradise Bird upholstered bed, designed by Luca Nichetto, evokes a birdcage-like form. The bedhead extends like wings to neatly enclose built-in bedside tables, which are available in marble or walnut, for a luxurious finishing touch.

15 Forma rugs

The result of a collaboration between Pampa and We Are Triibe, the Forma rug collection pays tribute to craftsmanship and natural materials. It features geometric patterns with soft edges, imperfect squares and rectangles, and the interplay of light and deep earthy tones.
