

COSY RETREAT "In the bedroom, we chose one of Pampa's horse prints, because we thought the horse theme tied in so well with all the tan leather accents and the sultry feel of the room," says Nicole. Also adding to the room's moody atmosphere are the painted walls in Dulux 'Signature'. A mix of cushions from Norsu, Ferm Living, and AURA by Tracie Ellis tie in the overall colour palette of the bedroom.

The layering of various linens creates a sumptuous escape in the master bedroom. 'Dogwood' (floral) duvet cover and pillowcases from Bonnie and Neil; quilt cover and pillowcases in dusk from Cultiver; and throw at end of bed from Kip&Co.

STYLE TIP: GO FOR A NEUTRAL COLOUR IN THE BEDROOM, LIKE A SOFT GREY, TO CREATE A CALMING ATMOSPHERE.
