

TWIN CITIES PRINT

CUSTOM SCREEN AND DIGITAL PRINTING

ESTD. 2023

Small business is our business.

Twin Cities Print is a one-stop shop for all things custom, specializing in apparel, drinkware, candles and promotional products. Proudly based out of St. Paul, Minnesota, **Twin Cities Print** takes pride in keeping manufacturing jobs local that have too often gotten shipped overseas.

A note from our owner:

I've always said it is a pretty fine line between being an entrepreneur/small business owner, and a self-punishing masochist. I still can't believe after all of these years that I get to wake up and go to work everyday on behalf of small businesses like yours that I'm proud to work with and care about, so thank you for the trust you put in us. Truly.

- Mitch

How to use this catalog

Our goal is to make your life easier and support your small business the best way we know how: printing. There are tens of thousands of items we have, and can, customize for you. This catalog exists not to limit you, but to hone some choices for products we consider our go-to recommendations.

If you're looking for something you don't see here, let us know. We'll check with our sourcing partners and I'm sure we can find something similar.

Pricing & Minimums

Our industry has SO many variables, that we will pull custom quotes for you.

To give a custom quote, we generally need the 3 following things:

- The item(s) you're interested in customizing
- Quantity of those items you're interested in (don't worry, we'll show you where price breaks land near your quantity to make sure you have all of the info to decide what quantities work best for you and your business)
- Your artwork (vector file always preferred: .ai, .eps and .pdf)

Minimums to be aware of:

- Screenprinted and embroidered apparel: 48 units
- Screenprinted drinkware: 72 units
- Digitally printed drinkware: 24 units
- Digitally printed and poured candles: 50 units
- Laser engraving: 24 units

Lead Times

Our standard lead times are 3-4 weeks from when we receive approval on the digital proof we send you. We ALWAYS send a proof before printing your job and wait for a green light from you before running them.
