

27" FIRE PIT

At 27 inches wide, this Groovebox Fire Pit is the perfect centerpiece and focal point for backyard patios, hospitality spaces and more. Modern architectural lines are beautifully softened by the natural curves of pebbles that are placed around the burner. The eco-friendly design utilizes a bioethanol burner which is clean burning, smoke-free and quick to set up. This Fire Pit combines well with other Groovebox items allowing you to create a cohesive and inviting outdoor space.
