## **IMPORTANT INFORMATION**

1. FalconEye does not guarantee or warranty any installation work or services supplied by these installers. These installers are completely independent from FalconEye
2. FalconEye is not stating that you should have your product installed by one of these installers, we are stating that these installers should have experience with working with Semi Trucks, they offer competitive pricing & they relevant experience
3. FalconEye cannot guarantee any pricing on installation, it is your responsibility for you to contact installer and negotiate your own installation price based on the product, your truck, and your needs
